In *The Seven Spiritual Laws of Success*, Deepak Chopra distills the essence of his teachings into seven simple, yet powerful principles that can easily be applied to create success in all areas of your life. Based on natural laws that govern all of creation, this book shatters the myth that success is the result of hard work, exacting plans, or driving ambition. Instead, Chopra offers a life-altering perspective on the attainment of success: Once we understand our true nature and learn to live in harmony with natural law, a sense of well-being, good health, fulfilling relationships, energy and enthusiasm for life, and material abundance will spring forth easily and effortlessly. Filled with timeless wisdom and practical steps you can apply right away, this is a book you will cherish for a lifetime, for within its pages are the secrets to making all your dreams come true. "A must-read for anyone who missed *The Prophet*, by Kahlil Gibran." – *The New York Times*

The Definitive Guide to Breastfeeding Your Baby Breastfeeding may be natural, but it may also be more challenging than you expect. Seriously, if you could get a monkey to have these habits they would be more effective than MANY people. I dare say there are habits listed in this book that if a person DOES NOT HAVE, they would be a walking dead and not know it!... this book is not like others you may have seen or heard about, these habits are for your benefit and those you care about. Don't let others inundate you with their success stories alone, it's time to let them see and hear about yours, stop being the spectator, be a star player... Get this book and let these habits be a part of you.

Have you ever questioned life and wonder why you? Can you hear yourself saying, "Is there more to life than this?" I can identify this with you. Did you know? Our brain process approximately 70,000 thoughts on an average day. Often many wonder why so many give up and quit in life. In this book I will show you how to rise above mediocrity. No more settling for less than God's best and only fantasizing about your heart desires - Its time you Rise Above, Now.

Small business owners and managers face increasing challenges in a difficult economic climate. One way to deal with daily struggles is to gain awareness of the obstacles and pitfalls...and know how to overcome them. Mathew Dickerson, one of Australia's leading IT entrepreneurs, makes this possible with his exciting and instructive book, Small Business Rules: The 52 Essential Rules to Be Successful in Small Business. In a logical and very readable format, Dickerson describes fifty-two rules that, if followed, help a small business to succeed. Dickerson covers it all: setting high standards, turning perceived failures into positive learning experiences, being clear about commitment and purpose to evaluating attitudes toward the workplace. He also delves into interfacing with clients, and co-workers, identifying the strengths of one's staff and using them to the fullest. Every aspect pertinent to running and growing a small business is covered in this exceptional book.

Danielle is a troubled but bright girl at Martino Prep, an old private academy she attends to help her chances of getting into a top-rated medical school. After a new student arrives and disrupts Danielle's plans, simple jealousy develops into a path of obsession and carnage. ANTIPATHY is a psychological horror thriller that pays homage to Italian Giallo and American slasher films. For Mature Readers Only.

"The Laws and Secrets of Success" - recently published and already an Amazon bestseller - has quickly received stellar five star reviews from leading Amazon Hall of Fame Reviewers (among the top 100 reviewers on all of Amazon): "Very, very highly recommend this UNIQUE book, it is the best book regarding how to be successful that I have ever read." -Daisy S., TOP 10 AMAZON HALL OF FAME REVIEWER "The power of his intuitions is infectious." -Grady Harp, TOP 50 AMAZON HALL OF FAME REVIEWER "This is one of those books where you will want to underline something important on each page. This is one of the most important books I have read in 2013." -Rebecca of Amazon, TOP 100 AMAZON HALL OF FAME REVIEWER About this book: This book is written in the style of the great Napoleon Hill. Think about this: With all of the success books out there, why don't we have more successful people? Too many success books simply rehash conventional wisdom. The truly great success books, such as "Napoleon Hill's "Think and Grow Rich", instead enable life-changing success breakthroughs because they identify and describe in powerful detail the thinking patterns and principles of the world's most successful individuals. The only way to do this is to study the world's most successful individuals, as Napoleon Hill has done. And as I have done as well. For over two decades I have devoted myself to studying and interviewing the most successful individuals across varying fields, so that I could see and learn for myself the principles which set them apart in terms of their success. And that is what I share with you here. Get ready to throw out many of the things that you thought you knew about success! Let's start at the beginning with a simple truth. Success is hard. Very hard. Very very very very hard. We all know that, once we have had a little bit of experience and are honest with ourselves. We all want to be more successful, but let's face it, sometimes we just don't know how. It's because, as they say, "we don't know what we don't know". So we make the same mistakes over and over again (often without fully realizing it until later). And then we blame ourselves (or others) in regard to why things didn't turn out as we had hoped, or planned. It's this simple: If you want to increase your level of success, read this book. We all go through the same struggles. This book - simply but powerfully - is your

instruction manual on how to overcome them. Read this book, and in 60 days you won't even recognize the person you used to be. And neither will your family and friends. This is the type of change that allows you to get the things you really want in life. The things previously outside your reach. The things you saw others gain and achieve, but never seemed to be able to get for yourself. That can change today. . We all know that a few better ideas can accelerate one's success substantially. Successful people take their better ideas and know how to leverage them further - and execute them better - than other people do. Once you understand the processes that successful people utilize to do this, you can very quickly ramp up your own success as well. Everybody struggles. Successful people struggle just like unsuccessful people but they learn and use the success principles to overcome the difficulties in their lives to reach their goals. Success breeds confidence, making it easier over time. If you don't want to keep making the same mistakes over and over and over again, you need to understand and understand well what these success principles are. That is what this book provides to you.

As a young child, becoming a beautiful bride seemed like the ultimate fairy-tale dream. But for Alex Payne, the fantasy of marriage has transformed into a shattering nightmare. Facing constant verbal abuse, sexual violence, and intimidation from her husband Greg, Alex has become a broken shell of the person she used to be. And since Greg slaughtered her beloved puppy Beatrice, she's even more terrified than ever to leave. When Alex learns Greg has been unfaithful, she finally shares her entire story with her best friend Elise, who has also experienced the horror of an abusive relationship. With the help of Elise's boyfriend David, the trio devise a cunning plan to rescue Alex from her misery for good. But with a serial killer on the loose, this grand escape becomes more dangerous than Alex ever imagined - between a deranged murderer roaming the streets and a husband who has already threatened to kill her if she ever attempts to leave, will she manage to survive brutality at home and live to enjoy a new life of freedom?
