For the first time in one volume, Phil Edmonston, Canada ' s automotive " Dr. Phil, " covers all used vehicles, packing this guide with insider tips to help the consumer make the safest and cheapest choice possible from cars and trucks of the past 25 years.

Describes points of interest in each region of the country, recommends restaurants and hotels, and includes information on shopping and entertainment

There's only one Saturn you should buy. Toyota -- enough apologies: "when you mess up, 'fess up."
