A Free Range Human In

For the last decade Free Range Humans + I have been helping people like us: People who don't fit into the box that others sometimes assume we do. People who'd love to create or grow their own path (without an office or a boss... and without getting lost in all the 'one size fits all' formulas all over the internet).

You see, "Be A Free Range Human" is not a regular business or careers book. This isn't just about making a living without a job... it's about discovering a world where creating something that suits you down to the ground is not only encouraged but essential to make this work. It's about life on your terms, working when, where and how you want – so you don't have to fit you (and your unique personality) into someone else's box to get paid.

About Marianne - Free Range Humans

To Be a Free Range Human requires leaving the 9 to 5 corporate work culture behind for a better work-life balance. The book suggests that everyone has a bit of entrepreneur in them just waiting to be discovered. By using exercises, it tries to help the reader find their inherent skills that can be transferred to a gig lifecycle.
