The ABR Certifying Exam consists of four modules: Essentials of Diagnostic Radiology. This is a required module and it covers basic knowledge that every radiologist should know (for example, recognizing child abuse, pneumothorax, shock bowel, and subdural hematoma). The ABR provides a study guide for the Essentials of Diagnostic Radiology, Clinical Practice Area Modules

Radiology ABR MOC Recertification Question - - BoardVitals

Maintenance of Certification (MOC) is an integral part of the quality movement in healthcare. Patients, your physician peers, and your colleagues all value MOC because it demonstrates your support for continuous quality improvement, professional development, and quality patient care. The ABR believes in the value of Maintenance of Certification.

ABR

The ABR defines " quality improvement " as a systematic approach to the study of healthcare and/or a commitment to continuously improve performance and outcomes in healthcare. The ABR honors each diplomate ' s privilege to choose PQI activities or projects that are pertinent to his or her own practice and that meet the spirit of this definition.

ABR

Core Exam Study Resources ABR exams are developed by volunteers from a wide range of practice settings and reflect the breadth of information a candidate is expected to know by the time of an exam. While we offer study guides on our website, each candidate should decide what type of resources he or she should use for our exams.

ABR

The ABR will allow residents who are in or beyond their 32 nd month of DR training to take the exam if their program director attests the resident is believed to have sufficient knowledge and training, and the candidate attests that he or she understands the potential consequences of taking the exam early.
