(Revised) 601.2, Sizing Requirements, will require duct system sizing to be in accordance with ACCA Manual D listed in Table 1701.1, or by other approved methods. This change makes Manual D a mandatory requirement in the UMC, whereas previous editions had referenced Manual D in a non-mandatory Exhibit.

Duct-related Changes to IAPMO ' s ... - hvac-blog.acca.org

Manual D Duct Systems: The duct sizes were based on the equipment selected, duct system geometry, fittings, and duct materials used. The form is meant to be very simple; it is neither exhaustive nor exclusive. There are hundreds of elements in the load calculation, equipment selection, or duct design that could be verified.
