With the flair for sizzling romantic suspense that has made her books international bestsellers, Elizabeth Adler, whose work has been hailed by critics as "mesmerizing" Internet Bookwatch, "exhilarating" Publishers Weekly, and "sensuous" Kirkus Reviews, is at the top of her form with her latest novel, *All or Nothing*. Lithe, leggy attorney and law professor Marla Cwitowitz is dying for some excitement in her life--that is, other than being the girlfriend of Al Giraud, private detective, sexy soul mate, and all-around best friend. So when she sees the potential for a crime-solving spree, she jumps at the chance to moonlight as a detective. According to the evening news, local real estate agent Laurie Martin is missing and presumed dead. Marla and Al happened to have seen her dining with an attractive man

several days before her disappearance. The man is Steve Mallard, loyal husband, doting father, and prime suspect. But Marla senses that something is not quite right. And her intuition has never let her down. Believing that there's more to the story than meets the eye, she takes matters into her own hands, vowing to get to the bottom of what's beginning to look like a very complex case. Al wants Marla to stay out of the way, fearing for her safety. He knows what's involved in detective work, and he's not sure she can hold her own as an investigator. But she won't be warned off this case. Their relationship has never been more fraught with complications--or sexual sizzle. With little warning or preparation, the two find themselves crisscrossing the United States in frantic pursuit of a remorseless criminal in

Only recently available for the first time in English, Panorama is the newly rediscovered first novel of H. G. Adler, a modernist master whose work has been compared to that of Kafka, Joyce, and Solzhenitsyn. A brilliant epic told in ten distinct vignettes, Panorama is a portrait of a place and people soon to be destroyed, as seen through the eyes of the young Josef Kramer. It moves from the pastoral World War I-era Bohemia of Josef's youth, to a German boarding school full of creeping prejudice, through an infamous extermination camp, and finally to Josef's self-imposed exile

abroad, achieving veracity and power through a stream-of-consciousness style reminiscent of our greatest modern masters. The author of six novels as well as the monumental account of his experiences in a Nazi labor camp, Theresienstadt 1941–1945, H. G. Adler is an essential author with unique historical importance. Panorama is lasting evidence of both the torment of his life and the triumph of his gifts.

"What's new. What else. What next. What's happened here." Pitch Dark, Renata Adler's follow-up to her prizewinning novel Speedboat, is a book of questions. It is also a book of

false starts, red herrings, misunderstandings, and all-too-fleeting revelations. Kate Ennis is poised at a critical moment in her affair with a married lover, a fraught relationship that reverberates throughout the novel, as it moves from Kate's house in rural Connecticut and her New York City brownstone apartment, to a small island off the coast of Washington, and to an utterly dark road in a remote corner of Ireland. Told in Adler's celebrated fragmented style, and constructed from the bare-bones language of everyday life, Pitch Dark transcends its parts to come to the kind of self-knowledge achievable only after a relentless quest"--
