Review: The Remaining: Aftermath This is a strong follow-up to the first book, and if you liked the first book you'll like this. All the mayhem and zombie apocalypse continues, with a serious dose of trouble from the redneck warlord faction to make it all that much more dramatic and ratchet up the stakes and the danger.

who may be his last hope. But a tragedy in the group causes a deep rift and forces him into action. And in the chaos of a world overrun by infected, Lee is pursued by a new threat: someone who will stop at nothing to keep him from his sworn duty. This is the second novel D.J. Molles's bestselling series: Book 1: The Remaining Book 2: The Remaining: Aftermath Book 3: The Remaining: Refugees Book 4: The Remaining: Fractured Novella 1: The Remaining: Trust Novella 2: The Remaining: Faith

He has fought the fight, and run the race. But the enemies never stop coming, and the race has no finish line. It has been three months since Captain Lee Harden found the survivors at Camp Ryder. With winter looming, Lee is on the verge of establishing Camp Ryder as a hub of safety and stability in the region. But not everyone agrees with Lee's mission...or his methods. Growing tensions between camp leadership are coming to a head, and as Lee struggles amid the dissention and controversy, new revelations about the infected threaten to destroy everything he has worked for. This is the third novel in D.J. Molles's bestselling series: Book 1: The Remaining Book 2: The Remaining: Aftermath Book 3: The Remaining: Refugees Book 4: The Remaining: Fractured Novella 1: The Remaining: Trust Novella 2: The Remaining: Faith

The first volume in D.J. Molles's bestselling series, now in a special edition with the bonus novella The Remaining: Trust. In a steel-and-lead encased bunker a Special Forces soldier waits on his final orders. On the surface a bacterium has turned 90% of the population into hyper-aggressive predators. Now Captain Lee Harden must leave the bunker and venture into the wasteland to rekindle a shattered America. This is the first novel D.J. Molles's bestselling

survival, perseverance and fighting to get back what has been lost.

This is the sixth and final novel in the action-packed series following Special Forces Captain Lee Harden and a group of survivors struggling to survive while rebuilding an America devastated by a bacterium that has turned 90% of the population into a ravenous horde. The merciless tide of infected is flooding south and time is running out to stop them. Bolstered by new allies, Captain Lee Harden continues his struggle to establish a safe haven from which the embers of a shattered society can be rekindled. This is the sixth and final novel in D.J. Molles's bestselling series: Book 1: The Remaining Book 2: The Remaining: Aftermath Book 3: The Remaining: Refugees Book 4: The Remaining: Fractured Book 5: The Remaining: Allegiance Book 6: The Remaining: Extinction Novella 1: The Remaining: Trust Novella 2: The Remaining: Faith

Aubrey St. James is in trouble. She's locked in a cell at a government black site. She doesn't know where that site is or how the hell she got there. But she knows that it has something to do with the stranger she rescued from the river. Someone - or something - called Johnny. Saul Tarson knows that the thing he's locked up is dangerous, because it left a trail of six dead cops in its wake, all killed in a way that defies explanation. It is Saul's sworn duty to get to the truth about Johnny before more people die - a lot more. All Johnny wants is to return home. But he has a mission to fulfill first. And what he does in the next 20 hours will either save mankind - or bring it to its knees.

They took everything—killed his wife, enslaved his daughter, destroyed his life. Now he's a man with nothing left to lose ... and that's what makes him so dangerous. Ten years after the collapse, Huxley had built a good life again. He had a loving wife, a farm with fields of golden barley, and a daughter with a strange and wonderful gift. Then the slavers came. Working out in the fields during the attack, Huxley returns too late. His daughter has been taken and his wife is bleeding out, her last whispered words about a man with a scorpion tattoo on his neck. Where do the slavers go? Huxley has no idea. He only knows that they headed east and so will he, setting out on foot across the desert of the Wastelands. Eighteen months into his journey, he has no hope of ever seeing his daughter alive. Dying of thirst in the open desert, he doesn't even expect to see another day. Then a man appears out of the desert and offers Huxley water from his canteen, an unheard of kindness in these savage times. Jay is an odd man, full of violence and guided by his hatred of the slavers, but he helps Huxley survive. And he gives Huxley a new purpose: nothing can bring back the dead, but we can chase down the slavers and make them bleed. Together, Huxley and Jay carve a path of destruction across the remains of a once-great land. The slavers are brutal, but they have no idea what's coming for them. Huxley has found something to live for again: blood and vengeance. In his most powerful work yet, New York Times bestselling author D. J. Molles delivers a carefully woven novel of violence and redemption, bringing to life a devastating portrait of a man pushed to the edge of his own humanity.

5 young men. 32 destroyed police vehicles. 1 spectacular bank robbery. This "cinematic" true crime story transports readers to the scene of one of the most shocking bank heists in U.S.

## Download File PDF Aftermath The Remaining 2 Dj Molles

history—a crime that’s almost too wild to be real (The New York Times Book Review). Norco '80 tells the story of how five heavily armed young men—led by an apocalyptic born-again Christian—attempted a bank robbery that turned into one of the most violent criminal events in U.S. history, forever changing the face of American law enforcement. Part action thriller and part courtroom drama, this Edgar Award finalist for Best Fact Crime transports the reader back to the Southern California of the 1970s, an era of predatory evangelical gurus, doomsday predictions, megachurches, and soaring crime rates, with the threat of nuclear obliteration looming over it all. In this riveting true story, a group of landscapers transforms into a murderous gang of bank robbers armed to the teeth with military-grade weapons. Their desperate getaway turns the surrounding towns into war zones. And when it’s over, three are dead and close to twenty wounded; a police helicopter has been forced down from the sky, and thirty-two police vehicles have been completely demolished by thousands of rounds of ammo. The resulting trial shakes the community to the core, raising many issues that continue to plague society today: from the epidemic of post-traumatic stress disorder within law enforcement to religious extremism and the militarization of local police forces.
