approximately 10% of the questions; 10% will comprise health informatics and administrative questions, with the remaining 80% clinical questions. Questions are of the

~~MRCGP Applied Knowledge Test 1001 Questions and Answers~~

General practice is a very broad subject and quite different to the hospital medicine that you are used to. It does have clear cut content, but there is no definitive study guide, the MCQ books on the market are not written by AKT question setters and the real examiners approach general practice and the AKT from many different angles.

~~AKT - Bradford VTS~~

Meta analysis is a popular subject in the AKT exam. You are guaranteed to get one or two questions about meta-analysis therefore lets spend some time to understand the concept and interpretation of meta-analysis. What is meta-analysis Meta-analysis is a statistical technique for combining the findings from independent studies.
