The president of the United States is the head of state and head of government of the United States, indirectly elected to a 4-year term by the people through the Electoral College. The officeholder leads the executive branch of the federal government and is the commander-in-chief of the United States Armed Forces. Since the office was established in 1789, there have been 45 presidencies, while 44 men have served as president. The first, George Washington, won a unanimous vote of the Electoral C

A List Of All The United States Presidents - WorldAtlas

Donald Trump is the 45th President of the United States of America. However, only 44 men have served as president. This is because presidents are numbered by their continuous terms in office. Grover Cleveland, who won two non-consecutive terms in 1884 and 1892, is therefore the 22nd and 24th president.

Published just months before President Nixon's resignation, All the President's Men revealed the full scope of the scandal and introduced for the first time the mysterious "Deep Throat." Beginning with the story of a simple burglary at Democratic headquarters and then continuing through headline after headline, Bernstein and Woodward deliver a riveting firsthand account of their reporting.
