additional exercises, appendices, a glossary and answer key

Looking for an easy-to-use guide to English grammar? This handy introduction covers all the basics of the subject, using a simple and straightforward style. Students will find the book's step-by-step approach easy to follow and be encouraged by its non-technical language. Requiring no prior knowledge of English grammar, the information is presented in small steps, with objective techniques to help readers apply concepts. With clear explanations and well chosen examples, the book gives students the tools to understand the mysteries of English grammar as well as the perfect foundation from which to move on to more advanced topics.

Presents a collection of activities to help foreign students learn English.

An Introduction to English grammar provides a comprehensive overview of all aspects of English grammar, and can be used in the classroom, for self-study, or as a reference book. The book is organised in two parts – on grammar and its applications – and provides everything a beginning student needs to get to grips with the theory and practice of English usage, including sections on style, punctuation and spelling. This third edition has been fully revised and updated to include an expanded section on English in Use, usage notes highlighting common errors, updated exercises, a glossary and a companion website with further graded exercises.
