ORTHODOX FAITH BOOKONE 167 another, justasitonething to speak and another to know. Furthermore, many of those things about God which are not clearly perceived cannot be fittingly described, so that we are obliged to express in human terms things which transcend the human order. Thus, for example, in speaking about God we attribute to Him sleep, anger, indifference, hands and feet, and the like. Now, we both know ...

I. What is Exposition? The exposition of a story is the first paragraph or paragraphs in which the characters, setting (time and place), and basic information is introduced. A lot of movies show the exposition by panning over the city or countryside and showing the main character doing something such as walking, working, or waking up. These scenes allow the readers to understand where the story is taking place and who's in it.

Narrative exposition is the insertion of background information within a story or narrative. This information can be about the setting, characters' backstories, prior plot events, historical context, etc. In literature, exposition appears in the form of expository writing embedded within the narrative. Exposition is one of four rhetorical modes, along with description, argumentation, and narration, as elucidated by Alexander Bain and John Genung.
