Balkan Ghosts begins in Croatia, examining the fusion between Croat nationalism and Catholic identity, with a sympathetic portrayal of the controversial Bishop Stepinac, and then taking us to Serbia and the emerging problem of Kosovo, and how this breakaway province is the historical heart of Serbia, yet stolen by history.

Robert D. Kaplan. Robert D. Kaplan, a correspondent for The Atlantic Monthly, is the author of more than a dozen books on travel and foreign affairs that have been translated into many languages. They included *Eastward to Tartary: Travels in the Balkans, the Middle East, and the Caucasus* and *Balkan Ghosts: A Journey Through History*. Robert D. Kaplan

From the assassination that triggered World War I to the ethnic warfare in Serbia, Bosnia, and Croatia, the Balkans have been the crucible of the twentieth century, the place where terrorism and genocide first became tools of policy. Chosen as one of the Best Books of the Year by The New York Times, and greeted with critical acclaim as "the most insightful and timely work on the Balkans to date" (The Boston Globe), Kaplan's prescient, enthralling, and often chilling political travelogue is already a modern classic. This new edition of *Balkan Ghosts* includes six opinion pieces written by Robert Kaplan about the Balkans between 1996 and 2000 beginning just after the implementation of the Dayton Peace Accords and ending after the conclusion of the Kosovo war, with the removal of Slobodan Milosevic from power.

A history of the Balkan Peninsula explores the region's political, social, religious, and economic past in order to understand the nature of the recently rekindled, centuries-old blood feuds. Reprint. 15,000 first printing.

A history of the Balkan Peninsula explores the region's political, social, religious, and economic past in order to understand the nature of the recently rekindled, centuries-old blood feuds. Reprint. 15,000 first printing.

Eastward to Tartary, Robert Kaplan's first book to focus on a single region since his bestselling *Balkan Ghosts*, introduces readers to an explosive and little-known part of the world destined to become a tinderbox of the future. Kaplan takes us on a spellbinding journey into the heart of a volatile region, stretching from Hungary and Romania to the far shores of the oil-rich Caspian Sea. Through dramatic stories of unforgettable characters, Kaplan illuminates the tragic history of this unstable area that he describes as the new fault line between East and West. He ventures from Turkey, Syria, and Israel to the turbulent countries of the Caucasus, from the newly rich city of Baku to the deserts of Turkmenistan and the killing fields of Armenia. The result is must reading for anyone concerned about the state of our world in the decades to come.

"A history of Romania traces the author's intellectual development throughout his extensive visits to the country, sharing his observations about its reflection of European politics, geography and key events while exploring the indelible role of Vladimir Putin."--NoveList.

"With a new afterword by the author"--Cover.

"As a boy, Robert Kaplan listened to his truck-driver father tell evocative stories about traveling across America in his youth, travels in which he learned to understand the country literally from the ground up. In *Earning the Rockies*, Kaplan undertakes his own cross-country journey to recapture an appreciation of American geography often lost in the jet age. Along the way, he witnesses both prosperity and decline--increasingly cosmopolitan cities that thrive on globalization, impoverished towns denuded by the loss of manufacturing--and paints a bracingly clear picture of America today. Kaplan lays bare the roots of American greatness--the fact that we are a nation, empire, and continent all at once--and how westward expansion shaped our national character, and should shape our foreign policy"--Provided by publisher.

Presents the historical and geopolitical background of the country of Kosovo, including its annexation by Serbia in 1912 and incorporation into Yugoslavia, its declaration of independence in February, 2008, and its strategic importance to the Western Balkans.
