Excerpt: Warriors is a novel series written by Erin Hunter, who is really 4 people: Victoria Holmes, Cherith Baldry, Kate Cary, and Tui Sutherland. The following is a list of cats in "ThunderClan," shown in the allegiances section (character list) of the books. ThunderClan is the "main Clan" of the Warriors series, as all four series' protagonists are ThunderClan cats. During the original series, ThunderClan resides in the forest, sandwiched between RiverClan and ShadowClan on each side. They share very little territory borders with WindClan, and as such, most of the trouble ThunderClan is forced to deal with originates either from RiverClan or ShadowClan. ThunderClan cats are accustomed to stalking through the thick underbrush of the forest, and are the sole users of the "hunter's crouch," a stalking technique used to hunt most forest-born prey. Their main diet includes mice, ...

A lion cast out from his tribe. An elephant who can read the bones of the dead. A baboon rebelling against his destiny. Together, they must heed the call of the wild. For generations, the animals of the African plains have followed a single rule: only kill to survive. But when an unthinkable act of betrayal shatters the peace, the fragile balance between predators and prey will rest in the paws of three unlikely heroes.

Onestar, leader of WindClan, introduces two young kittypets to the warrior code, the history of each of the Clans and the legendary battles that have been fought. 150,000 first printing.

As prophesized, a young house cat becomes an apprentice warrior in a clan of wild cats, where he faces many dangers and treachery both within and outside of his new clan.
