Big Brands Big Trouble Lessons

Big Brands, Big Trouble is a no-holds-barred look at the greatest brand marketing errors of the last three decades in the United States and U.K. Unlike most books about how to be more successful by looking at the winners, this one looks primarily at the people who did it worst in order draw out the lessons for today.

Big Brands Big Trouble: Lessons Learned the Hard Way ...

From there, you will follow along discussions of GM's forgetting the basic lessons of segmentation that Alfred Sloan put in place (each brand having a higher price and higher perceived quality), Xerox predicting an office revolution that never occurred and missing the opportunity to become the king of laser printers, DEC ignoring the PC, AT&T moving away from communication into computers and cable, missing the chance to be "the reliable choice," Levi Strauss failing to segment for style, age ...
