Many kids struggle to learn their basic math facts; Rocket Math helps kids become automatic with these key concepts. This is a useful app for working on addition, subtraction, multiplication, and division facts. Kids enjoy the spaceship world and interactive design that helps make the process of learning and practicing math facts loads of fun!

The Big Fun Second Grade Workbook contains more than 250 pages of learning activities blended with a variety of puzzles that support the learning. With a unique combination of practice activities and puzzles, this workbook will help second graders build skills in reading, writing and vocabulary, as well as math concepts including basic mathematical functions, fractions, measurement and time, and grade-appropriate social studies and science skills. Kids will be engaged by the learning activities while doing age-appropriate Hidden Pictures puzzles, mazes, matching puzzles, scavenger hunts, and find-the-difference puzzles. All activities will help kids feel confident in school while supplementing their classroom activities. In addition, each book includes an introduction that is full of simple tips to help parents guide their second graders through the activities in these workbooks.

"Get your child second-grade-ready with this summer big fun workbook. It's packed with Tons of Fun With a Purposea activities--Hidden Picturesa puzzles, mazes, jokes, and much more. All are teachers-approved and pave the way for success in key subjects: Language arts, Math, Social studies, and science topics"--Back cover.

Get ready for preschool! Designed for children who are about to begin school for the first time, this activity-rich, teacher-approved workbook combines skills practice with puzzles, humor, and reward stickers. This book lowers the barriers to learning and sets children up for early learning success. Highlights brings "Fun with a Purpose" into this 144-page workbook to get kids excited about school before they even begin. This workbook introduces essential early learning skills and concepts, such as fine-motor control, letters, numbers, shapes, and colors. The book also encourages the development of other fundamental building blocks of learning--like focus and attention to detail--and it introduces what to expect in a preschool classroom. Plus, kids will love the bonus pull-out Hidden Pictures progress poster, fun reward stickers, award certificate, and extra activities that they can take outdoors.
