unequal and generally poor? Will the ANC split or eventually be forced into an alliance with the EFF after 2019? Could the DA rule the country after the 2024 elections? In *Fate of the Nation* Jakkie Cilliers develops three scenarios for our immediate future and beyond: *Bafana Bafana*, *Nation Divided* and *Mandela Magic*. Cilliers says the ANC is currently paralysed by the power struggle between what he calls the Traditionalists and the Reformers. It is this power struggle that has led to the inept leadership, policy confusion and poor service delivery that has plagued the country in recent years. Key to which scenario could become our reality is who will be elected to the ANC's top leadership at the party's national conference in December 2017. Whichever group wins there will determine what our future looks like. This is a book for all concerned South Africans.

Classic Books Library presents this brand new edition of “ The Federalist Papers ” , a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. “ The Federalist ” , as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyse the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755 – 1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in

Getting Unstuck People who are trying to solve tough economic, social, and environmental problems often find themselves frustratingly stuck. They can ' t solve their problems in their current context, which is too unstable or unfair or unsustainable. They can ' t transform this context on their own—it ' s too complex to be grasped or shifted by any one person or organization or sector. And the people whose cooperation they need don ' t understand or

agree with or trust them or each other. Transformative scenario planning is a powerful new methodology for dealing with these challenges. It enables us to transform ourselves and our relationships and thereby the systems of which we are a part. At a time when divisions within and among societies are producing so many people to get stuck and to suffer, it offers hope—and a proven approach—for moving forward together.
