A Directors' Resolution is a written record of an action or decision made by a company's board of directors. The resolution can

be created with  
or without a  
formal meeting  
of directors.  
For instance, if  
a board of  
directors  
expressly agrees  
to an action, a  
written  
resolution can  
be drawn up  
without a formal  
meeting.
