The very first work author Charlotte Brontë created was a miniature book containing a short story written for her baby sister Anne. Written and stitched together when Charlotte was just 12 years old, it was one of many tiny handmade books made by Charlotte and her siblings. The later books were made for and about the children's toy soldiers.

Most parenting books focus on changing a child's behaviour, but this book says the truth is that children only change when their relationship with their parents changes. In Calm Parents, Happy Kids, Dr Laura Markham introduces an approach to parenting that eliminates threats, power struggles and manipulation, in favour of setting limits with empathy and communication.
