ARE YOU AWARE OF THE MOST IMPORTANT STATEMENT EVER MADE? "YOU MUST BE BORN AGAIN" Why? Because without it you have no hope of enjoying the glories of heaven and escaping the horrors of hell. Are YOU born again? Jesus said "Ye must be born again." John 3: 7 "Except a man be born again, he cannot see the kingdom of God." John 3:3 A very interesting event took place while Jesus walked the earth, many of the religious leaders of his day did not believe or receive him but there were some who due to fear of what people will say though they believed, they did not show publicly what they thought about him then in John chapter 3, one of them came to enquire at night about the kingdom Jesus was talking about. He was curious as to how one can be a part of the kingdom and Jesus said in verse three. "Verily, verily, I say unto you, except a man be born again, he cannot see the Kingdom of God" John 3:3 "Jesus answered him, I assure you most solemnly I tell you, that unless a person is born again (anew, from above), he cannot ever see (know, be acquainted with, and experience) the kingdom of God.' AMP The man must have looked at Jesus to confirm if he was in his right senses for he wondered how an adult would enter into his mother's stomach and be born again and Jesus told him "Except a man be born of the water and the spirit, he cannot enter the kingdom of God." so we can see that this goes beyond physical birth, this is the work of the spirit of Christ. Many of us who were born into Christian homes automatically believe we are born again or part of the house hold of faith, God forbid that at the end, Jesus tells us to depart because he does not know us. Being part of a Christian home or being part of a church does not equal being born again. You may know a lot about Jesus and God of the Christians, you may even know some verses in the bible and be able to quote them well, you may be able to say a thing or two about Jesus but then do you know him personally. You may say you know the president of your country, you might be able to say a lot of things about him but then the level of knowledge you have cannot be compared to what his wife will say. The wife knows him better, she sleeps with him and shares intimacy with him, and he will tell her things he is too careful not to tell the world, she knows his strengths and his fears. She knows when he is pretending to be okay and smiling when he is dying in silence. Now that is a level, and God desires that, intimacy with God and a relationship with him is the end to which Christ died so that when you die you can share eternity with him in heaven. So it's not about knowing about Jesus, it is about Jesus knowing you. Do you want to make heaven and be part of the kingdom Jesus talked about? Then you must be born again for that is the access, the key to the kingdom that is what entitles you to all that pertains to life and godliness. The son of a prince does not beg for the throne, he knows the throne is his by birth, same thing goes, we are the King's kid and because we are born of God, we have all He has. "But as many as received him, to them gave the power to become sons of God, even to them that believe on his name." John 1:12 So the power we have to be called sons is imparted at new birth, when we receive him into our life. Are you curious to know what this new birth is? Let's continue the ride through the pages of this book.

Tom Harpur, bestselling author of *The Pagan Christ* points the way toward a rebirth of spiritual life. With insight and revelation, and accompanied by such figures as Pope John Paul II, Mother Teresa, the Dalai Lama, and Billy Graham, Harpur tells how escaping the grip of fundamentalism helped him renew his faith.

Man has a problem and God has an answer in Christ. How the do we respond? Dr. Graham gives the answer in simple, direct, and dynamic language. But he does not stop with the moment of the new birth, for newborns have a lot of growing to do. Here also is essential guidance to take them further, for they can scarcely realize so soon the potential of the new power God can release from deep within them. How to Be

Born Again is at once universal and personal, for the new Christian and for the Christian along the way – an irresistible primer for finding salvation, a guidebook for continuing growth.

David Currie was raised in a devout Christian family whose father was a fundamentalist preacher and both parents teachers at Moody Bible Institute. Currie's whole upbringing was immersed in the life of fundamentalist Protestantism - theology professors, seminary presidents and founders of evangelical mission agencies were frequent guests at his family dinner table. Currie received a degree from Trinity International University and studied in the Masters of Divinity program. This book was written as an explanation to his fundamentalist and evangelical friends and family about why he became a Roman Catholic. Currie presents a very lucid, systematic and intelligible account of the reasons for his conversion to the ancient Church that Christ founded. He gives a detailed discussion of the important theological and doctrinal beliefs Catholic and evangelicals hold in common, as well as the key doctrines that separate us, particularly the Eucharist, the Pope, and Mary.

The author describes, through his own experiences, how and why many American Jews are becoming involved in Orthodox Judaism, and discusses Orthodox beliefs and rituals

In the uncertainty of today's world, many feel lost, often leading to anxiety, depression, and hopelessness. Attorney Natalie Dee Latzka knows this feeling well. When life got difficult, Latzka begged God to help her. His deafening silence left her doubting the faith she had been promised would protect her and intellectually questioning everything she once believed. As an attorney, Latzka understood the importance of evidence, yet it had become painfully apparent she had somehow accepted blind faith. Despite being raised Christian, she could barely articulate what she believed, much less provide evidence for why she believed it. Lost and determined to find direction, she set out on a journey searching for answers to difficult questions: Is there evidence that God exists? Who is God? What does God want from me? Readers are invited to along on Latzka's journey from blind faith to evidenced-based bold faith to examine and weigh the evidence for themselves.

The trials and storms of life can sometimes leave you wondering if God really loves and cares for you. In this book you will learn how God can give you beauty for your brokenness. It is a true love story.

Born and Raised in Sawdust: My Journey Around the World in Eighty Years is the deeply moving autobiography of Lewis Thigpen as a black boy growing up in a loving family in a small, tight knit community in the deep South during the extremely segregated Jim Crow era. It captures his life on the farm and in school in a revealing, instructive, yet colorful way despite the discrimination he encountered. Fearful of being a farm worker or common laborer for the rest of his life, he joined the U.S. Army, where racism persisted even though President Truman had ordered desegregation of the entire military in 1948. He served for three years. Against the odds, Thigpen persevered. Despite adversity and lack of money, he attended college, earned the Ph.D. degree, and became a renowned engineer, research scientist, and scholar. He rose to become chair of mechanical engineering at a distinguished university. The book is an easy read, designed for those who choose to pick it up at a bookstore, order it online, check it out at their public library, or download it to Kindle or other apps. It is a valuable addition to the canon of biographies, histories, literary works and cultural studies of the South. It captures the mood of Southern writers such as Flannery O'Conner, Pearl Cleage, William Faulkner, Richard Wright and Ralph Ellison. Readers interested in family

history and ancestry will love tracing through Dr. Thigpen ' s family tree, photographs and drawings. One photo shows him holding a silver salmon, the outcome of one of his favorite hobbies—fishing. In his autobiography, Dr. Thigpen brings the clarity and conciseness of an engineer and research scientist who has written and published numerous articles in refereed journals.

On April 28, 2006, as he lay in his hospital bed in Ann Arbor, Michigan, visions of celestial beauty were the last thing on Marv Besteman's mind. He had just had surgery to remove a rare pancreatic tumor. It was after visiting hours and his family had left for the day. Alone and racked with pain, Marv tossed and turned, wanting more than anything else to simply sleep and escape the misery and discomfort for a while. The retired banker, father, and grandfather had no idea he was about to get a short reprieve in the form of an experience he never could have imagined. In *My Journey to Heaven*, Marv Bestman shares the story of his experience of heaven with astounding detail. Readers will hear of his encounters with angels who accompanied him to the gate, his conversation (argument, really) with St. Peter, and his recognition of friends and family members who touched his life. His story offers peace, comfort, and encouragement to those who have lost loved ones and gives security and solace to those who are grieving, dying, or wonder about the afterlife. Marv believed God sent him back to earth to fulfill this mission of comfort and reminds readers that God has work for each of us to do before he calls us to be with him in heaven. Secure in his belief that his book was the fulfillment of his own mission, Marv returned to heaven in January 2012.
