whoever we are and whatever we have done. Human rights exist to make sure that we are treated properly and fairly, and are given the freedom to develop to our full potential. On top of the rights available to everyone, there are some that apply only to children. Children need special rights because they need extra protection that adults don't. The United Nations Convention on the Rights of the Child is an international document that sets out all of the rights that ...

# Read Book Childrens Rights And Human

In contrast, the so-called human rights-based approach to development (HRBA) takes the view that the ultimate aim of development can be defined as the fulfilment of all human rights. Such an approach is based on the conviction that human rights and development are closely interrelated and mutually reinforcing and that neither human rights nor development are prerequisites of, or just ...

participate and meet their potential. They apply equally to every child, regardless of ethnicity, gender or religion.

## Child Rights | UNICEF New Zealand

A human rights-based approach to programming means for UNICEF that the ultimate aim of all UNICEF-supported activities is the realization of the rights of children and women, as laid down in the CRC and the CEDAW. Human rights and child rights principles guide the organization's work in all sectors - and at each stage of the process.
