This book provides what Christians need to know about life in the year 2000. In just a few years, we will enter the 21st century. And life as we know it will have radically changed. But those changes won't come all at once. They'll come subtly and imperceptibly. And that's what makes the coming changes so dangerous. Like a frog in a slowly boiling kettle of water, the church has found itself in an environment that is gradually changing. And that environment could become life-threatening if we don't stay aware of the changes and how to respond. Because if we don't know what people's needs are and how to meet them, we run the risk of getting in the way of God's life-giving message. - Jacket flap.

Charming and pretty Bidy Forrester lives in China with her parents, medical missionaries who bring healing to the bodies and souls of the Chinese. Because of the poor climate, Bidy has to leave China and return to England with only one Friend, the Lord Jesus, and with a little green frog, her most valuable and cherished possession. Bidy knows the meaning of a surrendered life—and lives it! She wants always to please God, to trust Him, to walk with Him, to give Him her all. She brings warmth and light to a cold, dark England, witnessing, with her childish simplicity, everywhere she goes. In simple faith she asks God for the money for a hospital which her father needs in China. Then she puts her faith to work, giving her all to the Lord, even her little green frog. Her radiant testimony wins many hearts to Jesus, and brings in all the money needed for the hospital. The Little Green Frog displays the power of prayer, and the price and purpose of true Christianity. A wonderfully wholesome book.

Today is December 8th 2017 & Satan has just made Trump state that Jerusalem is the capital of Israel. This is good news for Israel, but you have to wonder why the devil would want this to happen. It is true that Jerusalem has been & will always be the capital of Israel, everyone knows that, but why did Satan make Trump at this time state this? Well Satan wants Israel & Trump to be in league. Satan knows that Trump stinks, & if he can make Israel be the friend of Trump in the eyes of the world, Israel to be on the side of Trump, then the world will be against Israel. So Israel might be happy today, but watch out the devil is coming for you. Jerusalem was always the capital of Israel, all Christians know that. Actually it has been the city of God in the days of Abraham when it was Salem & Jesus ruled the city as Melchizedek. So it was God's city even before David took it & made it the stronghold of Zion. But today we know the S. Coming is near, & Satan is in a hurry. He wants to make trouble for Israel as much as possible & why not marry up Israel with Trump who is politically radioactive? The Evangelicals who are in bed with Trump are politically radioactive. Yes it is true the Church just survived Satan's onslaught of the pedophile scandal, by being associated with pedophile priests. The Lord warned the Church about this in Mathew chpt 18:6,7. But the Church was soiled by association with bad priests, & now Christians are associated with Trump & Moore. And now they stink. Israel is now being stunkup by being associated with Trump. What does God think of Trump? Well I had a dream a few months ago & I saw Trump's government or "tree" come crashing down. So even though the Jews in Israel think Trump is great- God- The God of Israel does not like Trumps form of government. Another reason why Satan made Trump declare the obvious ,{Jerusalem is the capital of Israel} is because Satan said the antichrist would make peace with Israel for a seven month or seven year period. This is that prophecy trying to be fulfilled. Just as predicted the Jews are happy. But as you know the whole Tribulation, mid trib, Post trib, WWIII, Megiddo was a fairy tale Satan spread in order to stop the Herald from uniting the world for Jesus. Why would Satan spread this fantastic end of the world scenario? WWIII, antichrist? To stop the Herald. Now that Satan has the Evangelicals painted, he wants the Jews also or Israel to be radioactive. Satan is a genius. If he cant be against you, he will be for you. Now when Christ returns, the Evangelical Christians & Israel & Trump will be on one side & the whole world will be against. That is a scenario that should not be. Trump is the God emperor of Kekistan. The Christian Left will stand up & crush the Christian Right. Was

it not the Bible belt that fought to retain slavery? The Christian Left still loves Jesus & is against Trump & the Right wing of people like Moore. The Christian Right believes everyone should have guns, dont believe in climate change, they dont believe in dinosaurs, they dont believe in the Big bang & they fought to retain slavery as the Bible belt & love Trump , the military & the rich. The Christian Left already knows Salem is the city of Jesus in Melchizedek days, the stronghold of David, they believe in the Big bang, the flood only covered the Middle east, they believe in climate change, they believe in dinosaurs & science. Also like Jesus the Christian Left loves the poor. But Satan wants to paint Christians & Israelites as Rightwing, yet there are at least a billion Christian Left Christians & Jews. Who speaks for all those Christians? Wake up the devil is smearing Christians & lumping us all into the Christian Right with Trump- they actually are a minority of Christianity. This minority is loud. We silent majority Christian Left need to speak up. Note Mother Teresa. Christians & Israel, dont be painted with Trump. Its a vast treachery. Isaiah 24:16

In this work, Christopher D. Stanley provides a Hebrew Bible textbook which approaches the Bible through the categories of comparative religion. It carefully distinguishes the religion of ancient Israel from the religion represented in the Bible.

From a popular pastor and radio host—Three Free Sins teaches that the only people who make any progress toward being better are those who know that God will still love them, regardless of how good they are. This book is about the misguided obsession with the management of sin that cripples too many Christians. It's about the view that religion is all about sin...about how to hide side sin or how to stop sinning all together. In the Introduction, the author toys good-naturedly with an agitated caller on his radio program, teasing him in a segment where he offers three free sins. The offer is real. Not that Steve has the power to forgive sins, but he wants to make the point that Jesus has made the offer to cover all of our sins – not just three. Chapter one, titled “Teaching Frogs to Fly,” is even better. The gist of this chapter is that you can't teach frogs to fly, just like you can't teach people not to sin. Steve tells a story about a guy who has a frog, and he's convinced he can teach the frog how to fly. The man keeps throwing the frog up in the air or up against walls – all to the poor frog's demise. The message is that even though people can be better, they can never not sin—just like a frog can never learn to fly, no matter how much pressure is put on it. Steve continues through the book to show readers that while they can never manage sin, they can relax in knowing that they are completely forgiven—not just of three, but of all.
