Zombies, demons, vampires, shapeshifters - another day in the life of Nick Gautier - and those are just his friends. At fourteen, Nick Gautier thinks he knows everything about the world around him. Streetwise, tough, and savvy, his quick sarcasm is the stuff of legends. . .until the night when his best friends try to kill him. Saved by a mysterious warrior who has more fighting skills than Chuck Norris, the teenaged Nick is sucked into the realm of the Dark-Hunters: immortal vampire slayers who risk everything to save humanity. Nick quickly learns that the human world is only a veil for a much larger and more dangerous one: a world where the captain of the football team is a werewolf and the girl he has a crush on goes out at night to stake the undead. But before he can even learn the rules of this new world, his fellow students are turning into flesh-eating zombies--and he's next on the menu. As if starting high school isn't hard enough. . .now Nick has to hide his new friends from his mom, his chain saw from the principal, and keep the zombies and the demon Simi from eating his brains, all without getting grounded or suspended. How in the world is he supposed to do that?

A latest entry in the best-selling series finds a battle-weary Nick pulled into an alternate reality where his mother has married his mentor and his Atlantean god best friend is a human geek who helps Nick realize the relative nature of pain and the benefits of his powers.

It's a demon-eat-demon world for Nick Gautier. Just when he thinks he's finally gotten a handle on how not to take over the world and destroy it, Death returns with an all-star cast that is determined to end the Malachai reign and lineage forever. Worse? Death and War have found the one, true enemy Nick can't find, and even if he did, it's one he could never bring himself to banish or kill. Now framed for murders he hasn't committed, and surrounded by new friends who might be turncoats, Nick is learning fast how his father went down in flames. The heat in New Orleans is rising fast, and Nick's threat level has gone into a whole new level of intensity. He's learning fast that when War and Death decide to battle, they don't take prisoners. They don't negotiate. And they're both immune to his biting sarcasm and Cajun charm. To win this, he will have to embrace a new set of powers, but one wrong step and he will belong to the side of Darkness, forever. Praise for Chronicles of Nick: "Illusion [is] another great story. The humour [is] spot on... great balance between action and storytelling." - Total Book Geek on Illusion "[Chock] full of action, suspense, emotion, Nick's perfectly timed humour and sarcasm, friends coming together to help one another, danger and peril at every turn, and of course Kenyon's brilliant world-building, character creations, and imagination that make you forget you are reading a work of fiction." -The Reading Café on Instinct "Nick never ceases to amaze me. ...My words don't do him justice. You won't understand until you read the book. So read the book, please? You won't regret it."-My Not So Salient Life on Instinct "The perfect amount of action, snark and intriguing character development."-Teen Library on Instinct

The world has fallen in love with Nick Gautier and the Dark-Hunters. Now Nick's saga continues in the next eagerly anticipated volume... Go to school. Get good grades. Stay out of trouble. That's the mandate for most kids. But Nick Gautier isn't the average teenager. He's a boy with a destiny not even he fully understands. And his first mandate is to stay alive while everyone, even his own father, tries to kill him. He's learned to annihilate zombies and raise the dead, divination and clairvoyance, so why is learning to drive and keep a girlfriend so dang hard? But that isn't the primary skill he has to master. Survival is. And in order to survive, his next lesson makes all the others pale in comparison. He is on the brink of becoming either the greatest hero mankind has ever known. Or he'll be the one who ends the world. With enemies new and old gathering forces, he will have to call on every part of himself to fight or he'll lose everyone he cares about. Even himself.

Think you have a lot of pressure on your shoulders? Nick Gautier was born to bring about the end of the world . . . it's not easy being the heir of a demon overlord. But Nick is determined to thwart his destiny and get into a good college. To be more than his genetics and prophecy foretell. No one is ever going to tell this stubborn Cajun who and what he really is. Or how to live his life. Not even the Fates of the Universe. But now that he and his team of ancient gods and demons have claimed the Eye of Ananke and he sees the missteps of the future, he has to battle the demons within that are far deadlier and more treacherous than any he's battled before. All the while his arch nemesis is back and determined to reclaim his place as the harbinger for Armageddon. Even if it means killing Nick and barbecuing everyone he loves to do so.

Nick Gautier's day just keeps getting better and better. Yeah, he survived the zombie attacks, only to wake up and find himself enslaved to a world of shapeshifters and demons out to claim his soul. Being a teenager is no picnic either. His new principal thinks he's even more of a hoodlum than the last one, his coach is trying to recruit him to things he can't even mention, and the girl he's not seeing, but is, has secrets that terrify him. But more than that, he's being groomed by the darkest of powers, and if he doesn't learn how to raise the dead by the end of the week, he will become one of them...

As he learns new powers, sixteen-year-old Nick leans towards the dark side and glimpses his future.

Determined to solve an ancient mystery, a woman undertakes a forbidden quest that pits her against the Dark-Hunter leader and proud god Acheron, with whom she joins forces when ancient guardians and old enemies threaten both of them. Reprint.
