Supernova: The
Knight, The
Princess and the
Falling Star

presents a series of intertwined and unconventional love stories, straight and gay, with a bit of science and spirituality added to the mix. The major characters

Download Free Cinta Sang Ratu

are young, urban, and technologically highly aware. They are caught up in major forms of contemporary social conflict. The work has been highly acclaimed. The poet Taufiq Ismail has written: "A renewal has taken place in Indonesian

literature over the
past decade.

Supernova is an
intelligent, unique
and truly exciting
exploration of
science, spirituality
and the nature of
love." The literary
critic Jacob

suggests: "This is
an attractive novel
by a young writer.

It is an intellectual work in the form of a work of pop art, set in the real world. It opposes old values with new ways of understanding, so that readers can see the world in a different way."

that Tucker Puteri
scarcely believes
in. "Charles Martin
