Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

You might think that we parents had learned our lesson once already, but we are sure gluttons for making our kids giggle. Indeed, even though they are Horrible and Gorrible, they certainly are strangely huggable too. The Secret is out! Every Word has to be read. Whether you are singing about noses and toes or trying to contain yourself from the silliness, there is no doubt the fun begun by a book with no pictures will continue on with the Best Book Ever. Goofy parents are happy to oblige their begging kids with the addition of this delightful escape into comedic word play.
