The R&S ® F5L is an lightweight and compact spectrum analyzer for cost-conscious users who want the functionality of high-end instruments. The analyzer is ideal for a large number of applications in development, service and production. Despite its compact size, it offers a wealth of functions more typical of the high-end range, thus ensuring an excellent price/performance ratio.

The annual CPT "TM" Professional Edition provides the most comprehensive and convenient access to a complete listing of descriptive terms, identifying codes, and anatomical and procedural illustrations for reporting medical services and procedures. The 1999 edition includes more than 500 code changes. To make coding easy, color-coded keys are used for identifying section and sub-headings, and pre-installed thumb-notch tabs speed searching through codes. Also includes 125 procedural and anatomical illustrations and an at-a-glance list of medical vocabulary.

Many of the people responsible for a website don't have a clue what's required to build one and keep it up and running. The job of planning, launching, and managing a site often falls to people who have little or no experience in web design or development. Website Owner's Manual is for the thousands of marketers, IT managers, project leaders, and business owners who need to put a website in place and keep it running with a minimum of trouble. Using clever illustrations, easy-to-follow lists and diagrams, and other friendly touches, Website Owner's Manual helps readers form a vision for a site, guide them through the process of selecting a web design agency, and gives just enough background to help them make intelligent decisions throughout the development process. This book provides a jargon-free overview of web design, including accessibility, usability, online marketing, and web development techniques. Using Website Owner's Manual, readers master the vocabulary and concepts they need to discuss how a website dovetails with the needs of a business. This book will help them work confidently with the designers and developers building and maintaining a site so they can concentrate on what your website needs to do. Purchase of the print book comes with an offer of a free PDF, ePub, and Kindle eBook from Manning. Also available is all code from the book.

The first-ever publication to address the cost of all aspects of maintaining your facility: maintenance and repair, preventive maintenance, general maintenance and complete details about the cost and repair frequencies of thousands of work items. This book provides comprehensive coverage of all aspects of buildings and grounds, from preventive maintenance schedules on large boilers, to replacing fire hydrants, to resurfacing parking lots and more.

APSA's Style Manual for Political Science prepares authors for manuscript submission with sections that include: preparation, writing (punctuation and style), parenthetical citations, notes, tables and figures, and additional resources. The Manual acts as an umbrella submission guide for APSA's four member-wide journals and many section journals.

Synopsis: In addition to comprehensive coverage of the four areas of nursing: medical/surgical, maternal/newborn, pediatrics, and psychiatric, the Ninth Edition of this classic reference book features a variety of useful updates. New to this edition is an appendix of vitamins and herbs, necessary for dealing with patients who treat themselves with popular dietary supplements. Also unique to this edition are an increased emphasis on home care and geriatrics, Drug Alerts, Standards of Care, and additional patient teaching information that includes complementary therapies. Popular features, including Procedure Guidelines, Nursing Alerts, and Gerontologic Alerts have been expanded. New illustrations appear throughout. Features: Written in outline format, organized with subheads for ease of finding information.; - Each disorder entry is designed to highlight nursing care by grouping nursing management material together.; -- Contains extensive procedure guidelines - many hospitals, etc. use this as a procedure and policy manual.; - Includes Nursing Alerts, Drug Alerts, Gerontologic Alerts that highlight critical information. New to this Edition: Has 2 new chapters: "Standards of Care of Legal Issues" and "Geriatrics and Health Applications." Home care section added to Chapter 1.; - Herbal and complementary therapy information is incorporated throughout text and appendix.; - New information regarding problems of infants added to Chapter 38.
