Common Core Learning Objectives and Essential Tools - 4 ...

Learning Objectives are the content and skills students need to know by the end of a lesson. New standards often contain multiple objectives, concept definitions, examples, and context. To take the guesswork out of what to teach, DataWORKS crafted Learning Objectives that tell teachers what students should be able to do by the end of the lesson.

Common Core Learning Objectives

Content standards (such as Common Core State Standards) describe what students are to be taught over the course of a school year. A Learning Objective is a statement that describes what students will be able to do at the end of a lesson, as a result of instruction.
