Complete Cat & Dog Care Training - Pet First Aid, CPR and Pet Business Certificate Online Diploma course is designed for individuals who want to run their own pet business by providing harmless assistance or relief to the injured pets. Pet owners will also be hugely benefitted with this course, as the curriculum deals with the best practices of first aid procedures on pets such as cats and dogs.

This is the perfect guide to take care of cats and kittens at home. Whether you are a new cat parent or already have a feline companion at home, Complete Cat Care is ideal for all your cat needs. From making your home cat-proof and welcoming for your furry friend to essential equipment you need at home, this book covers it all. From grooming, bathing, and feeding your cat to dealing with behavioral problems, get all the advice from Complete Cat Care. Know how to spot early signs of a disease and find out about common cat disorders. This comprehensive yet accessible book will explain how to take care of a sick or an elderly cat. Also, learn how to administer basic first aid to treat your cat at home and find out what to do in case of an emergency. The book also provides information about breeding and how to care for a new mother and her kittens. Complete Cat Care will help you keep your cat healthy at every stage of its life.

Describes basic cat care and offers advice on feeding, grooming, health care, problem behavior, breeding, first aid, and showing

Building a lifelong, loving relationship with a cat can be a challenging task. Whether you're thinking of adopting a cat or already live with one, The Humane Society of the United States Complete Guide to Cat Care offers authoritative and practical advice that will help you make the best decisions for your pet along the way. This comprehensive guide includes sections on choosing a healthy cat or kitten, feeding and nutrition, training, grooming, disease, vet visits, caring for an aging cat, feline first-aid kits and emergency care. Unlike other books that endorse breeding and promote novelty or purebred cats, The Humane Society's Guide to Cat Care stresses making life better for the millions of cats already here. It provides information on rescuing and rehabilitating homeless cats, finding a stray's owner, and helping an outdoor cat make the transition to a safe indoor environment. The guide also encourages animal advocacy and offers a list of ways to get involved.

This book includes over 650 anatomical diagrams and diagnostic flowcharts plus specially taken, close-up photographs, full-colour artworks illustrating the healthy cat's body functions, describing each potential disorder, its detection and recognition, and information on breeding, post-natal care, rearing kittens and house-training. Part of The RSPCA care for your pet series, this book addresses all the needs of the increasing numbers of cat owners.

UPDATED and EXPANDED CONTENT Including 27 New Cute Kitten Pictures!
