Cryptocurrency, Bitcoin, ICO, blockchain, mining... When hearing those words just a couple of years back, people used to say: It's a scam, financial bubble IThere is no point in investing, the price is too low INo country will ever recognize cryptocurrency IIIt's an obvious pyramid scheme IIIt's a sort of amusement for nerds IIIt's not serious, it will collapse in a couple of years. Until recently, cryptocurrency had been viewed as a sort of amusement for a handful of the chosen who bought and sold something and believed that a new currency would make a hit one day! You surely were also among those people who did not take Bitcoin and cryptocurrency seriously, but the current events gag even the biggest skeptics. Current Bitcoin price is 6,644\$* The price of the most popular cryptocurrency repeatedly breaks all the unthinkable records. Capitalization is about \$120 billion World recognition The world's largest economies - India and Japan - recognized Bitcoin as the official currency. The US authorities recognized cryptocurrency as the asset. And this is just the beginning. Mining on an industrial scale The cryptocurrency market is extremely fast-changing, and it is almost impossible to monitor the situation and make the right decisions on your own. Most people have no proper experience, time and money for that. My book gives basic yet quite extensive information for those people who do not chase a rainbow but want to build a long-term profitable business in one of the cryptocurrency areas: from mining to investing. So, this book is not about: Illegal ways of making money Praising cryptocurrency and urging you to invest in it to the last penny Fraud techniques and making a fast buck Boring and pointless theory Ways to earn millions without investments and risks This book will help you get to learn the following: Which way of making money in cryptocurrency market suits you best. Where should you start if you have just \$500. What information about cryptocurrency the experts withhold (Take the rose-colored glasses off!). How to elaborate a personal strategy, set up your own cryptocurrency business and earn your first \$3,000-10,000 as early as 2018. I can also guarantee that you: Puzzle out the main present-day currency trend even if you are clueless about economics, finance and technology. Understand whether you really want to invest in cryptocurrency (perhaps, this type of business doesn't suit you at all and you will save your time) Get to learn how to check the risks and not to invest in the first available currency Having considered my experience, protect yourself from possible failures and pouring money down the drain which will inevitably happen if you go it blind. Thus, my goal is fairly simple: help you set up and develop business in one of the cryptocurrency areas. Find out 7 cryptocurrency investment strategies + 2 perfect strategies today! It is definitely Amazon Great Deal: You can read on your PC, Mac, smartphone, tablet or Kindle device.

Discover how you can make money from cryptocurrency - even if you're a complete novice Between 2010 and 2017 the price of Bitcoin rose from \$0.07 to over \$4,000 - An increase of 5,714,190%! That's the equivalent of buying 1 share of Apple stock today and that very same share being worth an astonishing \$9.1 million in just 7 short years. But the Bitcoin ship has sailed right? Aren't the best days of cryptocurrency over? Think again. In fact, there is no better time than now to get involved in the cryptocurrency market This year, those who bought Ethereum in January saw the price rise from \$8.06 to a peak of \$356 - an increase of a whopping 4316% Or what about Litecoin, which rose 1788% from \$4.33 to \$81.78 in 2017? In the same time frame, the SNP 500 rose a mere 10.25% - and that was a good year for the market Gold only rose 10.16% in the same time period. This book will provide you with the fastest and the most profitable tool for cryptocurrency earnings in 2019. It requires almost no investment and generates profit even when the market falls. There are dozens of ways to make money in the cryptocurrency market and the new ones appear almost every day: Mining Investment ICO Sale of equipment Consulting Creating cryptocurrency startups However, there is a tool that stands out among the rest. It allows even a newbie to quickly "enter" the cryptocurrency market and start to make money with little or no investment. It is cryptocurrency trading. "Forget everything you know or heard about trading. The rules of the game have changed a lot with the advent of the cryptocurrency era. Only those, who quickly adapt to the new trend, will be able to make money." How did cryptocurrency change the rules of the game in trading? 1. Transactions become more profitable Despite the fact that cryptocurrency does not grow temporarily, the profits from transactions involving cryptocurrency are still very large 2. Almost zero competition Nowadays, one person in three is afraid of and does not trust cryptocurrency. It plays into the hands of brave traders who do not feel competition 3. Trading strategies become easier Due to the fact that cryptocurrency exchanges are at an early stage of development, complex trading strategies have faded away 4. Barrier to entry falls New trading technologies make it more open and allow you to start with minimum investment Having read the book, you will find out: Reason why active cryptocurrency trading is now almost the best way to make money Step-by-step plan of further development to get profit in a month, in six months and in a year Specific earnings strategy: when you should buy and sell to make profit Reason why simple techniques still work in cryptocurrency trading whereas they stopped to yield results on conventional exchanges Key rules of reaping profits in cryptocurrency trading even on your first day on the exchange Resources that help to puzzle out trading and give buy / sell tips The purpose of the book: You understand and feel where the price will go, "stay on track" knowing how to behave in every trading situation. It comes with experience, and, perhaps, only when working along with an experienced trader. You have a sharp eye of the psychology of crowd and large market participants. You build your trading strategies while analyzing and projecting their behavior. You create your own system of risk and money management, clearly understanding what part of your capital you can use to enter a position, how to exit, how to buy some more. You control your temper by switching off fear and greed in trading. Play a well-thought-out "chess game." You make money not only on the market growth, but on its decline as well. You become a confident, sure-footed trader. It is definitely Amazon Great Deal: You can read on your PC, Mac, smartphone, tablet or Kindle device.
