Explore the powers of DC Comics' greatest characters like never before through stunning anatomical cutaways and in-depth commentary from the Dark Knight. Concerned about the threat that so-called "metahumans" may pose to the world, Batman has begun compiling a detailed dossier on their incredible physiology and abilities. From villains like Killer Croc, Bane, and Brainiac, to Batman's own comrades, including Superman and Cyborg, the file brings together the Dark Knight's fascinating personal theories on the unique anatomical composition of these formidable individuals. This stunning and unique book delves into the incredible abilities of DC Comics characters like never before. Using beautifully illustrated anatomical cross sections depicting twelve different DC characters, the book, told from Batman's unique perspective, will explore how these "metahumans" physical makeup differs significantly from that of the average person. From detailed theories on how Superman's eyes shoot heat rays to an in-depth exploration of how Aquaman is able to breathe under water, the book delves into the deepest secrets of these classic characters. Also featuring chapters on the anatomy and abilities of Doomsday, Aquaman, Swamp Thing, Darkseid, Martian Manhunter, and more, this one-of-a-kind book will change the way you look at metahumans forever.

Appealing to the casual comic book reader as well as the hardcore graphic novel fan, this ultimate AtoZ compendium describes everyone's favorite participants in the eternal battle between good and evil. With nearly 200 entries examining more than 1,000 heroes, icons and their place in popular culture, it is the first comprehensive profile of superheroes across all media, following their path from comic book stardom to radio, television, movies, and novels. The best-loved and most historically significant superheroes—mainstream and counterculture, famous and forgotten, best and worst—are presented with numerous full-color illustrations, including dozens of classic comic covers. Each significant era of the superhero is explored—from the Golden Age of the 1930s, 1940s, and 1950s through the Modern Age—providing a unique perspective of the role of the hero over the course of the 20th century and beyond. This latest edition has been revised to reflect updates on existing characters, coverage of new characters, and recent films and media trends in the last several years.
