Traces the development of Disney animation, explains what made Disney's style unique, and features original sketches and drawings revealing the origins of Mickey Mouse and other Disney characters

The inside story of the gradual perfecting of Disney's character animation technology, an American art form.

A must for collectors and fans of all ages, this is the most exciting, comprehensive, and thorough examination of what

# Access Free Disney Animation Illusion Life Frank Thomas

the Disney magic is all about. More than 2,700 illustrations, 489 in full color.

Learn from the men who changed animation forever Walt Disney's team of core animators, who he affectionately called his "Nine Old Men," were known for creating Disney's most famous works, as well as refining the 12 basic principles of animation. Follow master animator and Disney legend Andreas Deja as he takes you through the minds and works of these notable animators. An apprentice to the Nine Old Men himself, Deja gives special attention to each animator and provides a thoughtful analysis on their techniques that include figure drawing, acting, story structure, and execution. The in-depth analysis of each animator's work will allow you
