Their consultants are specialists, working closely with all UK universities and, through my consultants advice and application assistance, I was able to receive offers from my favoured ...

Studying Financial Technology in the UK

Financial intermediaries exist for profit in the financial system and sometimes there is a need to regulate the activities of the same. Also, recent trends suggest that financial intermediaries role in savings and investment functions can be used for an efficient market system or like the sub-prime crisis shows, they can be a cause for concern as well.
