85 pips is easy to hit when trading the GBP/AUD which averages a price range of over 120 pips per day looking at the daily candles. Looking at the H4 chart, you will see that Price has reached the resistance zone today, so taking the GBP/AUD long is a very, very, very risky trade, since price tends to reverse and run bearish from the top of this 30 day view point.

100 pips per day might be sound intimidating but in reality, many traders are making more than 100 pips in a single day. They simply use the Bollinger band indicator and 3 levels ZZ semafor indicator to make this impossible thing possible in each and every single day. The Bollinger band indicators help the trader to identify the potential buying and selling zone in any currency pair.
