ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Now in its Tenth Edition, Essentials of Human Anatomy & Physiology continues to set the standard for short-course A&P texts. Designed for the one-semester anatomy and physiology course, Hole's Essentials of Human Anatomy and Physiology assumes no prior science knowledge and supports core topics with clinical applications, making difficult concepts relevant to students pursuing careers in the allied health field. The learn, practice, and access system is used throughout the textbook and digital. "Learning" Outcomes at the beginning of each chapter set the stage for what students will learn, "Practice" questions at the end of each major section help check their recall on what they just read, and "Assess" end of chapter resources help students confirm their accurate recall of what they just learned and practiced. The learn, practice, and assess system is highly effective in providing students with a solid understanding of the important concepts in anatomy and physiology.

For one-semester courses in A&P Lab. A Brief, Student-Friendly Lab Manual for One-Semester A&P--Now in Full Color Developed especially for a fast-paced, one-semester A&P course, Elaine Marieb and Pamela Jackson's Essentials of Human Anatomy and Physiology Laboratory Manual, 7th Edition provides 27 full-color, hands-on laboratory exercises, along with a built-in Histology Atlas. The Lab Manual can accompany any one-semester A&P text, but it is most effectively paired with Marieb and Keller's Essentials of Human Anatomy & Physiology, 12th Edition. Each lab exercise consists of a variety of easy-to-follow activities, all supported by a checklist of materials, a Pre-Lab Quiz, background information, learning objectives, and tear-out review sheets. The black and white figures in previous editions are now in full-color, and the 7th Edition further expands on its student-friendly writing style with updated terminology and review questions, streamlined content presented in tables, and a new, more intuitive design.
