Inspired by the Kendrick Brothers' new movie, War Room, this exciting new resource from the #1 best-selling author team behind The Love Dare and The Resolution for Men is designed to help anyone learn how to become a powerful person of prayer. The Battle Plan for Prayer begins with prayer's core purpose, its biblical design, and its impact throughout history. Readers will be guided scripturally through the fundamentals of how effective prayer works, inspired toward a closer, more intimate relationship with God, and shown how to develop specific prayer strategies for each area of life. Prayer can accomplish what a willing God can accomplish. It should be your first plan of attack in all of life's battles, not your last resort. If you want to experience the joy of mightily answered prayer, then it's time to engage with God at another level.

Why has God not answered my prayers? What should I be praying for? If everything I prayed for came true, would I be ready? In this spiritual classic, Eberhard Arnold mines the riches of biblical teaching on prayer and the example of Jesus, the Hebrew prophets, and the early Christians to point us back to the prayer that pleases God most - prayer that has the power to transform our lives and our world. In a new reflective response, much-loved author Richard J. Foster relates Arnold's words to our contemporary reality.

Editor Susanna Wright offers this updated edition of a Christian devotional classic-invoking the daily prayers and timeless imagery of the original text through modern, accessible language. In this wonderful collection, famed theologian Dr. John Baillie shares personal prayers for people who are seeking a better understanding of God and themselves. Organized by morning and evening-with special prayers for Sundays-A Diary of Private Prayer is written with eloquence, piety, and directness. Blending praise and meditative thoughts about God with a concern for the social and individual good, these daily invocations help and inspire us to search our inner selves and find the deep religious beliefs that lie within. First published in 1936, A Diary of Private Prayer remains a seminal Christian devotional with more than a million copies in print. This modern edition-completely redesigned into a gift package-admirably preserves all the qualities of the original, ensuring that the wisdom of God and the wonder of Baillie's prayers remain accessible for many generations to come.

First published nearly 30 years ago, Destined for the Throne continues to train believers for their heavenly destiny. God's eternal purpose, Billheimer says, has been the preparation of an eternal companion for His Son. This preparation takes place as Christians engage in spiritual warfare and practice believing prayer. "[A] thorough presentation of God's total purpose and destiny for the church...satisfying and demanding," said Norman Grubb, former International Director of WEC.

This revised, expanded edition of the Common Worship President's Edition contains everything to celebrate Holy Communion Order One throughout the church year. It combines relevant material from the original President's Edition with Eucharistic material from Times and Seasons, Festivals and Pastoral Services, and the Additional Collects.

Cries from the Heart offers an honest look into the lives of real men and women whose adversities were overcome through turning and listening to God, even if their problems worked out in the way they least expected. Ranging from the unusual to the ordinary, these stories may challenge you, but they'll comfort you as well, by reminding you that you're never truly alone, and that even the worst anguish can be overcome by the healing power of inner peace.

The Guilt-Free Prayer Journal for Moms is designed with the belief that journaling is supposed to be an enjoyable experience-not one that is motivated or driven by feelings of guilt, inadequacy, or drudgery. THE GUILT-FREE PRAYER JOURNAL FOR MOMS sets no rules or boundaries and is not geared around a calendar or other scheduled format. With this journal, if you skip a day or two (or more)-not a problem. The Guilt-Free Prayer Journal for Moms encourages mothers and grandmothers to journal their prayers for their children and grandchildren-while keeping a permanent record of the actual prayers they've made on their behalf. Each section has two double spreads. The first spread provides inspirational and informational background on a specific prayer topic. The second spread includes Scripture prayers moms can pray for children, blank sections where moms can journal prayers for their children, and a "looking for answers" section reminding moms to watch for and record answers to those specific prayers. Specific prayer topics include: Praying God's will for my child Praying for my child to recognize right from wrong Praying for my child's everyday relationships Praying for my child's close friendships Praying for the ministry and influence God will give my child Praying for my child's personal relationship with God"

Would you like to become comfortable conversing with God one-on-one, informally and intimately? Would you like to hear quiet, gentle answers to your prayers and petitions, your worries and anxieties, your deepest dreams and desires? With a lighthearted, girlfriend-to-girlfriend style, author Mary Beth Weisenburger shows how you can do just that through prayer journaling. By praying with a pen, she discovered an arms-wide-open God, one who silently listened and lovingly responded to her, day after day. And she promises that he'll do the same for you. Show up on the page with a pen in hand, and he will meet you there. There's no need to feel intimidated. He's delighted that you want to spend time with him. He's been waiting for you!
