It ' s been a week since the shooting, and we ' re back on the University of Chicago campus. Ben Galang ' s eyes light up when he sees us, and he opens his dorm room door wider to let us in. Sawyer and I step inside and stand awkwardly in the crowded space while Trey eases in after us, taking care not to bump ...

Gasp has been on my wishlist for a while since I love Lisa's fast paced books about kids with visions. Jules is the main character and I adore her heart for others, wanting to help and do all that she can. Her narrative voice is right up my alley because she is snarky and I can relate with what she is going through.
