**Installation
instructions |
GE Appliances**

Before you self clean your GE Spectra kitchen range, remove the shelves, broiler pan and any cookware or aluminum foil you may have in your oven. You Spectra model

File Type PDF

Ge Profile

may also have a
roasting rack or
probe; remove
those also.

According the GE
Spectra manual,
on some models
the convection
roasting rack
and shelves can
remain; however
it also states
that they will
darken and

become hard to
slide. For these
reasons,
removing them is
recommended.
