The Greek god Hades is known in Greek mythology as the king of the underworld, a place where souls live after death. The Greek god Hermes, the messenger of the gods, would take the dead soul of a person to the underworld (sometimes called Hades or the House of Hades).

Afterlife - Wikipedia
There is a lot of evidence out there that supports intelligent design (God) and the existence of an afterlife, there is a lot more evidence than most people realize. I suggest to anyone thinking about this most important subject (because it is something we all HAVE to face) to read as many books as you can on the subject.
