Google Adwords is an effective way to turn online web browsers into prospective clients for your law firm. Google's pay-per-click (PPC) advertising system uses keyword phrases and displays your ads to those searching for your legal services. Something to keep in mind, it takes time and money to see a measurable ROI with Google Adwords.

Google

STEP (Student Training in Engineering Program), formerly known as Engineering Practicum, is a 12-week internship for first and second-year undergraduate students with a passion for computer science. The internship program has a focus of providing development opportunities to students from groups historically underrepresented in tech, through technical training and professional development.
