HMRC: Guidance Note (RDR1): Residence, Domicile and the ...

This Practice Note was originally drafted by Simon Goldring and Ben Harle but is now maintained by Lexis®PSL Private Client. The concepts of domicile and residence are used to establish the extent of an individual's liability to UK taxation. Specifically, domicile determines an individual's liability to UK inheritance tax (IHT) on foreign situs assets and is a key factor in establishing whether the remittance basis could be applicable to the taxation of foreign income and gains.
