Healthy Democracies: Welfare Politics in Taiwan and South ...

"Joseph Wong shows how a state-centric approach for the analysis of the emerging welfare states in Taiwan and South Korea is not sufficient in account for how new political and policy goals were generated in the larger context of democratic change. . . . Healthy Democracies is a most valuable contribution to the growing literature on welfare-state development in general, and on East Asian developments in particular."-Stein Kuhnle, Democratization, Spring 2006
