In this pair of literary voyages into the inner self, Joseph Conrad has written two of the most chilling, disturbing, and noteworthy pieces of fiction of the twentieth century. Heart of Darkness is a devastating commentary on the corruptibility of humanity. Based on Conrad's own 1890 trip up the Congo River, the story is told by Marlow, the novelist's alter ego. It is a journey into darkness and horror—both literally, as the narrator descends into a sinister jungle landscape, and metaphorically, as he encounters the morally depraved Mr. Kurtz. The Secret Sharer is the tale of a young sea captain's first command as he sails into the Gulf of Siam—and into an encounter with his mysterious “double,” the shadow self of the unconscious mind. Joseph Conrad boldly experimented with the novella and novel forms, filled his writing with the exotic places he himself had traveled, and concerned himself with honor, guilt, moral alienation, and sin. Heart of Darkness and The Secret Sharer encapsulate his literary achievements—and his haunting portrayal of the dark side of man. With an Introduction by Joyce Carol Oates and an Afterword by Vince Passaro

HEART OF DARKNESS * AN OUTPOST OF PROGRESS * KARAIN * YOUTH The finest of all Conrad's tales, 'Heart of Darkness' is set in an atmosphere of mystery and menace, and tells of Marlow's perilous journey up the Congo River to relieve his employer's agent, the renowned and formidable Mr Kurtz. What he sees on his journey, and his eventual encounter with Kurtz, horrify and perplex him, and call into question the very bases of civilization and human nature. Endlessly reinterpreted by critics and adapted for film, radio, and television, the story shows Conrad at his most intense and sophisticated. The other three tales in this volume depict corruption and obsession, and question racial assumptions. Set in the exotic surroundings of Africa, Malaysia, and the east, they variously appraise the glamour, folly, and rapacity of imperial adventure. This revised edition uses the English first edition texts and has a new chronology and bibliography. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. that complement the classic, familiar format. In CliffsNotes on The Heart of Darkness & The Secret Sharer, you come to understand how each of these stories deals with the "dark side" of the human character. Heart of Darkness is a journey up the Congo River to where an ivory agent, Kurtz, has succumbed to human weakness and evil, and has disintegrated into a grotesque creature. The Secret Sharer is an allegorical examination of a timid man who struggles to stifle the more physical and dangerous part of himself. Eventually, he resolves this duality and becomes more daring—and, therefore, more complete. This concise supplement to Joseph Conrad's The Heart of Darkness & The Secret Sharer helps you understand the overall structure of the novels, actions and motivations of the characters, and the social and cultural perspectives of the author. Features that help you study include Part-by-part summaries and commentaries Character maps that graphically illustrates the relationships among the characters Critical essays that provide expert insight on the novels' structure Review sections that test your knowledge Classic literature or modern-day treasure—you'll understand it all with expert information and insight from CliffsNotes study guides.

Sitting there, facing Bond Street, he had his face turned to the sea. His pallor showed how recently he had emerged from it into the port: so did his lack of interest in the schoolgirls opposite. He was like the lagging finger of the barometer, still pointing to Fair long after its companion had moved to Stormy. Below him the black clerks moved churchward, but their wives in brilliant afternoon dresses of blue and cerise aroused no interest in Wilson. He was alone on the balcony except for one bearded Indian in a turban who had already tried to tell his fortune: this was not the hour or the day for white men they would be at the beach five miles away, but Wilson had no car. He felt almost intolerably lonely. On either side of the school the tin roofs sloped towards the sea, and the corrugated iron above his head clanged and clattered as a vulture alighted.

From bestselling author Scarlett St. Clair comes a dark and enthralling reimagining of the Hades and Persephone Greek myth. "Let me worship you," he said. She remembered the words she had whispered to him in the back of the limo after La Rose. "You will worship me, and I won't even have to order you." His request felt sinful and devious, and she reveled in it. She answered, "Yes." Persephone is the Goddess of Spring in title only. Since she was a little girl, flowers have only shriveled at her touch. After moving to New Athens, she hoped to lead an unassuming life disguised as a mortal journalist. All of that changes when she sits down in a forbidden nightclub to play a hand of cards with a hypnotic and mysterious stranger. Hades, God of the Dead, has built a gambling empire in the mortal world and his favorite bets are rumored to be impossible. But nothing has ever intrigued him as much as the goddess offering him a bargain he can't resist. After her encounter with Hades, Persephone finds herself in a contract with the God of the Dead, and his terms are impossible: Persephone must create life in the Underworld or lose her freedom forever. The bet does more than expose Persephone's failure as a goddess, however. As she struggles to sow the seeds of her freedom, love for the God of the Dead grows—a love that is both captivating and forbidden.

Acclaimed Canadian poet Steven Price has conjured a stunning debut novel that explores what we ask from each other, and how much we are prepared to give. Set in the city of Victoria, British Columbia, Into That Darkness opens at the moment when a massive earthquake hits the entire west coast with devastating results. Amid the destruction of the city, survivors are left to negotiate a calamity in which bonds of civility are pushed to their limits and often broken. When Arthur Lear hears a voice crying in the rubble, he finds himself descending deep under a collapsed building in a desperate attempt to save a young boy and his mother. But what he discovers there will change him forever — as circumstances lead him across the city's broken landscape, through the chaos of its hospitals and streets, in a harrowing search for the mother's lost daughter. Over the days that follow, Lear's very sense of humanness will be tested and compromised, as he faces the limits of himself and his fellow survivors, in his long journey home. A novel for our age of anxiety and fear, Steven Price delivers a powerful story about the physical manifestation of the darker things lurking in our culture, in ourselves.
