English for Beginners 2nd Edition: The Best Handbook for Learning to Speak EnglishLEARN ENGLISH TODAY!!! Introduced to the British Isles by conquerors from northern Europe as early as the fifth century, English was accepted and used by the British as their everyday language. From the time of their explorations in the 15th century, they brought the English language to the different continents particularly North America including Canada as well as the Caribbean, Oceania which was then known as Australia and New Zealand, Africa and even Southeast Asia, specifically India and the Pacific. American colonists likewise brought the English language to all their colonial outposts in the early 19th and 20th centuries. As a result of the said British and American imperialism, the use of the English language extended to all their colonies, reaching a widespread coverage which led to its adoption as a common language. Currently regarded as the universal language, English is the 2nd largest native language across all countries, spoken by nearly 800 million people around the globe. It is the official language in over 70 countries which are collectively responsible for 2/5 of the world's gross national product. As such, it presents undeniable dominance in international relations and business. Because of this, English as a means of communication is therefore an essential requisite for the growth and development of a nation. Thus, English is massively used in information transfer through modern and conventional methods such as the internet and traditional schools worldwide. In fact, it is the top language used in the internet by nearly 560 million users and based on data from the International College of Economics and Finance which is an arm of the National Research University, there are more than 7,000 international schools worldwide reaching around 3.5 million students using English as the channel for learning notwithstanding the local schools in other countries which likewise use English as the medium of instruction. Therefore, it is important to learn English for proper instruction, for accurate transfer and transmission of ideas and information, for business transactions, employment opportunities, and international relations. Here Is A Preview Of What Is Inside... The Importance of the English Language Basic Steps in Learning to Speak English How to Enhance Delivery Applying the Simple Rules of Grammar Constructing Effective Sentences Beware of Errors Much Much More! Purchase your copy today!

Increase your fluency of English through the mastery of common English idioms and expressions. All Native English-speakers use a large number of proverbs and colloquial expressions in their daily conversations. These common sayings, which evolved over the centuries, are like "codes" that reveal the cultural values and attitudes of the speakers. To obtain complete fluency in the English language it is necessary to be familiar with these expressions and know how and when to use them. With a user-friendly format, The Cheater's Guide to Speaking English like a Native is a shortcut to achieving that goal.

The quintessential A to Z guide to British English—perfect for every egghead and bluestocking looking to conquer the language barrier Oscar Wilde once said the Brits have "everything in common with America nowadays except, of course, language." Any visitor to Old Blighty can sympathize with Mr. Wilde. After all, even fluent English speakers can be at sixes and sevens when told to pick up the "dog and bone" or "head to the loo," so they can "spend a penny." Wherever did these peculiar expressions come from? British author Christopher J. Moore made a name for himself on this side of the pond with the sleeper success of his previous book, *In Other Words*. Now, Moore draws on history, literature, pop culture, and his own heritage to explore the phrases that most embody the British character. He traces the linguistic influence of writers from Chaucer to Shakespeare and Dickens to Wodehouse, and unravels the complexity Brits manage to imbue in seemingly innocuous phrases like "All right." Along the way, Moore reveals the uniquely British origins of some of the English language’s more curious sayings. For example: Who is Bob and how did he become your uncle? Why do we refer to powerless politicians as “lame ducks”? How did “posh” become such a stylish word? Part language guide, part cultural study, *How to Speak Brit* is the perfect addition to every Anglophile’s library and an entertaining primer that will charm the linguistic-minded legions.

Review "I really appreciate the quality and depth this book has. This book covers wide range of day to day conversation. It is very useful for everyone who has fear of speaking in English language. I have never seen such a great value at a highly reasonable price. Strongly recommend for people those are interested in speaking English in a short span of time." CA Shiv Singhal, Director, Devalya Education Private Limited Product Description You want to speak English. This is the book you need. You may find it difficult to learn and speak English in the absence of right guidance. This book provides a blueprint to practice every day conversation. It offers practical approach to learn English, and it also helps you to overcome grammatical blunders by covering following aspects: Part 1- How to describe your present Part 2 - How to describe a person or a place Part 3 - How to describe your past Part 4 - How to describe a conversation Part 5 - How to describe something step by step Part 6 - How to describe a social topic Part 7 - How to describe your imagination In my first book *Speak English Like a Star*, my purpose was to help you to understand conceptual English. This book is meant to take you to next level and it will help you to speak English confidently and comfortably in office or at home or with strangers. Answer following questions to know whether this book is right choice for you 1. Do you find it difficult to express your views? 2. Do you commit grammatical errors while writing English or speaking English? 3. Do you need a script for everyday English conversation? If answer to any of above questions is "yes", this book is one of the best resources to overcome your challenges. Buy this book if English speaking has become a barrier in your career and you want to speak English to take your career to next level.
