A Knight of the Word is a fantasy novel by American writer Terry Brooks, the second book in the Word & Void series, a prequel to his Shannara series. It was first published in 1998 by Ballantine 's Del Rey division (ISBN 978-0-345-37963-4).

□That is Brooks□ way of casting spells□transporting his readers into plausible realms where sorcery is alive, whether those places are in other ages or right in the middle of our own. As a result, he's reaped more than a few magical moments . . .□Seattle Times As a Knight of the Word, John Ross has struggled against the dark forces of the Void and his minions for twenty-five years. The grim future he dreams each night□a world reduced to blood and ashes□will come true, unless he can stop them now, in the present. The birth of a gypsy morph, a rare and dangerous creature that could be an invaluable weapon in his fight against the Void, brings John Ross and Nest Freemark together again. Twice before, with the fate of the world hanging in the balance, the lives of Ross and Nest have intersected. Together, they have prevailed. But now they will face an ancient evil beyond anything they have ever encountered, a demon of ruthless intelligence and feral cunning. As a firestorm of evil erupts, threatening to consume lives and shatter dreams, they have but a single chance to solve the mystery of the Gypsy morph□and their own profound connection. □Superior to most of the fantasy fiction being published today.□Rocky Mountain News

□Superior to anything being written in the genre . . . Terry Brooks is one of a handful of fantasy writers whose work consistently meets the highest literary standards.□Rocky Mountain News Eight centuries ago the first Knight of the Word was commissioned to

combat the demonic evil of the Void. Now that daunting legacy has passed to John Ross—along with powerful magic and the knowledge that his actions are all that stand between a living hell and humanity's future. Then, after decades of service to the Word, an unspeakable act of violence shatters John Ross's weary faith. Haunted by guilt, he turns his back on his dread gift, settling down to build a normal life, untroubled by demons and nightmares. But a fallen Knight makes a tempting prize for the Void, which could bend the Knight's magic to its own evil ends. And once the demons on Ross's trail track him to Seattle, neither he nor anyone close to him will be safe. His only hope is Nest Freemark, a college student who wields an extraordinary magic all her own. Five years earlier, Ross had aided Nest when the future of humanity rested upon her choice between Word and Void. Now Nest must return the favor. She must restore Ross's faith, or his life—and hers—will be forfeit . . .

□[An] urban dark fantasy . . . Sharp and satisfying.□□Publishers Weekly (starred review)

Escape to worlds full of adventure and magic in the first-ever Terry Brooks short-story collection, featuring both new and fan-favorite stories from all three of his major literary worlds: Shannara, Magic Kingdom, and The Word and the Void. Here are heroes fighting new battles and struggling to conquer the ghosts of the past. Here are quests both small and far reaching; heroism both intimate and vast. Here we learn of Garet Jax's childhood, see how Allanon first located Shea Ohmsford, and follow an old wing-rider at the end of his life. Here we see Knights of the Word fighting demons within and without, and witness Ben Holiday and his daughter each trying to overcome the unique challenges that Landover offers. This collection of eleven tales is a must-have addition to the Terry Brooks canon—a delightful way to spend time with favorite characters, and a wonderful reminder of what makes a Brooks story such a timeless classic.

# Online Library Imaginary Friends Word Void Series

In *Running with the Demon*, Terry Brooks does nothing less than revitalize fantasy fiction, inventing the complex and powerful new mythos of the Word and the Void, good versus evil still, but played out in the theater-in-the-round of the "real world" of our present. On the hottest Fourth of July weekend in decades, two men have come to Hopewell, Illinois, site of a lengthy, bitter steel strike. One is a demon, dark servant of the Void, who will use the anger and frustration of the community to attain a terrible secret goal. The other is John Ross, a Knight of the Word, a man who, while he sleeps, lives in the hell the world will become if he fails to change its course on waking. Ross has been given the ability to see the future. But does he have the power to change it? At stake is the soul of a fourteen-year-old girl mysteriously linked to both men. And the lives of the people of Hopewell. And the future of the country. This Fourth of July, while friends and families picnic in Sinnissippi Park and fireworks explode in celebration of freedom and independence, the fate of Humanity will be decided . . . A novel that weaves together family drama, fading innocence, cataclysm, and enlightenment, *Running with the Demon* will forever change the way you think about the fantasy novel. As believable as it is imaginative, as wondrous as it is frightening, it is a rich, exquisitely-written tale to be savored long after the last page is turned.

**BONUS:** This edition contains an excerpt from Terry Brooks's *The Measure of the Magic*. Terry Brooks won instant acclaim with his phenomenal New York Times bestseller *The Sword of Shannara*. Its sequels earned Brooks legendary status. Then his darkly enthralling *The Word and the Void* trilogy revealed new depths and vistas to his mastery of epic fantasy. *Armageddon's Children* and *The Elves of Cintra* took Brooks's remarkable mythos to a breathtaking new level by delving deep into the history of *Shannara*. And now, *The Gypsy Morph* rounds out—with an adventure of unforgettably imaginative scope—the first phase of a new chapter in this classic series. Eighty years into the future, the United States is a no-man's-

# Online Library Imaginary Friends Word Void Series

land: its landscape blighted by chemical warfare, pollution, and plague; its government collapsed; its citizens adrift, desperate, fighting to stay alive. In fortified compounds, survivors hold the line against wandering predators, rogue militias, and hideous mutations spawned from the toxic environment, while against them all stands an enemy neither mortal nor merciful: demons and their minions bent on slaughtering and subjugating the last of humankind. But from around the country, allies of good unite to challenge the rampaging evil. Logan Tom, wielding the magic staff of a Knight of the Word, has a promise to keep—protecting the world’s only hope of salvation—and a score to settle with the demon that massacred his family. Angel Perez, Logan’s fellow Knight, has risked her life to aid the elvish race, whose peaceful, hidden realm is marked for extermination by the forces of the Void. Kirisin Belloruus, a young elf entrusted with an ancient magic, must deliver his entire civilization from a monstrous army. And Hawk, the rootless boy who is nothing less than destiny’s instrument, must lead the last of humanity to a latter-day promised land before the final darkness falls. The Gypsy Morph is an epic saga of a world in flux as the mortal realm yields to a magical one; as the champions of the Word and the Void clash for the last time to decide what will be and what must cease; and as, from the remnants of a doomed age, something altogether extraordinary rises.

An acorn falls far from the tree Former Chicago lawyer Ben Holiday was very proud and quite happy. And why shouldn’t he be? The Magic Kingdom which he ruled as High Lord was finally at peace. He was free to lie back and watch as his new daughter grew. And grow she did—by leaps and bounds, shooting through infancy in a matter of months. She took her first steps and learned to swim in the same week. An amalgam of magic and heredity, Mistaya was born a seedling, nourished by soils from Landover, Earth, and the fairy mists, come into being in the dank, misty deadness of the Deep Fell. She was as lovely as her mother, the sylph Willow, with

## Online Library Imaginary Friends Word Void Series

dazzling green eyes that cut to the soul. Ben wished he could enjoy his daughter's childhood and his happy kingdom forever. Alas, those idyllic days were not to last. For Rydall, king of lands beyond the fairy mist, rode up to the gates of Sterling Silver and shattered peace of Landover. His armies were poised on the border, ready to invade unless Ben accepted a challenge: Rydall would send seven champions to face Ben, each in a different form. If Ben triumphed over all seven, Rydall would then abandon his claims to the kingdom. Some counseled the High Lord to refuse Rydall's challenge, but Holiday could not, for Mistaya had been snatched from her guardians by foul magic. And Rydall held the key to her fate. . . .

**NEW YORK TIMES BESTSELLER** The adventure that started in *Wards of Faerie* takes a thrilling new turn, in the second novel of Terry Brooks's brand-new trilogy—*The Dark Legacy of Shannara!* The quest for the long-lost Elfstones has drawn the leader of the Druid order and her followers into the hellish dimension known as the Forbidding, where the most dangerous creatures banished from the Four Lands are imprisoned. Now the hunt for the powerful talismans that can save their world has become a series of great challenges: a desperate search for kidnapped comrades, a relentless battle against unspeakable predators, and a grim race to escape the Forbidding alive. But though freedom is closer than they know, it may come at a terrifying price. Back in the village of Arborlon, the mystical, sentient tree that maintains the barrier between the Four Lands and the Forbidding is dying. And with each passing day, as the breach between the two worlds grows larger, the threat of the evil eager to spill forth and wreak havoc grows more dire. The only hope lies with a young Druid, faced with a staggering choice: cling to the life she cherishes or combat an army of darkness by making the ultimate sacrifice. Includes a preview of the next book in the *Dark Legacy of Shannara* series, *Witch Wraith Praise for Bloodfire Quest* —Explodes from the first page . . . and the action doesn't stop

# Online Library Imaginary Friends Word Void Series

until the novel's cliffhanger ending. . . . Intense and exhilarating . . . The author balances character development with intense action, and he has a gift for creating characters the reader cares about. Brooks is one of the best fantasy writers in the business, and *Bloodfire Quest* is better than its predecessor. Associated Press Shannara fans will delight in Brooks's sorcerous action, skilled characterizations, and rapid-fire storytelling twists. Publishers Weekly Brooks mixes things up here with several sharp battle scenes, for which he brings his distinct talent, giving a true grandeur to clashes involving terrifying creatures and powerful magic. . . . A fine middle chapter to Brooks' latest Shannara adventure. Kirkus Reviews From the first pages to the harrowing ending, *Bloodfire Quest* . . . is a thrill ride that will leave readers wanting more. . . . This volume, paired with the first, might be just the right place to introduce new readers to this fine writer. Booklist (starred review) Praise for Terry Brooks I can't even begin to count how many of Terry Brooks's books I've read (and reread) over the years. From Shannara to Landover, his work was a huge part of my childhood. Patrick Rothfuss, New York Times bestselling author of *The Name of the Wind* Terry Brooks has been my constant companion over a lifetime of exploring my beloved fantasy genre. I say with all honesty I would not be writing epic fantasy today if not for Shannara. If Tolkien is the grandfather of modern fantasy, Terry Brooks is its favorite uncle. Peter V. Brett, New York Times bestselling author of *The Desert Spear* Terry Brooks is a master of the craft and a trailblazer who established fantasy as a viable genre. Not only do I owe him for many hours of reading pleasure, I owe him my job. He is required reading. Brent Weeks, New York Times bestselling author of *The Night Angel Trilogy*

The Wheel of Time ® is a PBS Great American Read Selection!  
Now in development for TV! Since 1990, when Robert Jordan's *The Wheel of Time*® burst on the world with its first book, *The Eye of the World*, readers have been anticipating the final scenes of this

# Online Library Imaginary Friends Word Void Series

extraordinary saga, which has sold over forty million copies in over thirty languages. A Memory of Light is the fantastic conclusion to the internationally-bestselling epic fantasy juggernaut. The Wheel of Time turns and Ages come and go, leaving memories that become legend. Legend fades to myth, and even myth is long forgotten when the Age that gave it birth returns again. In the Third Age, an Age of Prophecy, the World and Time themselves hang in the balance. What was, what will be, and what is, may yet fall under the Shadow. When Robert Jordan died in 2007, all feared that these concluding scenes would never be written. But working from notes and partials left by Jordan, established fantasy writer Brandon Sanderson stepped in to complete the masterwork. With The Gathering Storm (Book 12) and Towers of Midnight (Book 13) behind him, both of which were # 1 New York Times hardcover bestsellers, Sanderson now re-creates the vision that Robert Jordan left behind in A Memory of Light. Edited by Jordan's widow, who edited all of Jordan's books, A Memory of Light will delight, enthrall, and deeply satisfy all of Jordan's legions of readers. The Wheel of Time turns, and Ages come and pass. What was, what will be, and what is, may yet fall under the Shadow. Let the Dragon ride again on the winds of time. TV series update: "Sony will produce along with Red Eagle Entertainment and Radar Pictures. Rafe Judkins is attached to write and executive produce. Judkins previously worked on shows such as ABC's Agents of SHIELD, the Netflix series Hemlock Grove, and the NBC series Chuck. Red Eagle partners Rick Selvage and Larry Mondragon will executive produce along with Radar's Ted Field and Mike Weber. Darren Lemke will also executive produce, with Jordan's widow Harriet McDougal serving as consulting producer." Variety

Filled with practical advice for anyone interested in creative writing, the best-selling author of the Shannara series offers a firsthand glimpse of the rewards and requirements of the writing life, in alternating chapters that address his experiences in the publishing world along with discussions on different aspects of the writing craft--research, plotting, characterization, and more. Reprint.

With his groundbreaking New York Times bestseller *The Sword of Shannara* and its acclaimed sequels, Terry Brooks brought a new audience to epic fantasy. Now that story of clashing forces of darkness and light, of Shannara's beginnings and the human race's possible end, marches forward into an unforgettable second volume full of mystery, magic, and momentous events. Across the ruined landscape that is America—hopelessly poisoned, plague-ridden, burned, and besieged by demon armies bent on exterminating all mortal life—two pilgrims have been summoned to serve the embattled cause of good. Logan Tom has journeyed to desolate Seattle to protect a ragged band of street urchins and the being known as “the gypsy morph,” who is both mortal and magical, and destined to save mankind unless he is destroyed. Likewise, Angel Perez has her own quest, one that will take her from the wreckage of Los Angeles to a distant, secret place untouched by the horrors of the nationwide blight—a place where the race of Elves has dwelled

# Online Library Imaginary Friends Word Void Series

since before man existed. But close behind these lone Knights of the Word swarm the ravening forces of the Void. As the menacing thunder of war drums heralds the arrival of the demons and their brutal minions in Seattle, the young survivors who call themselves the Ghosts are forced to brave the dangerous world of gangs, mutants, and worse to escape the invasion. And Logan Tom must infiltrate a refugee compound to rescue Hawk, the leader of the street urchins, who has yet to learn the truth about who and what he is. Meanwhile, Angel Perez has joined an equally urgent mission: to find the Ellcrys, a fabled talisman crucial to protecting the Elven realm against an influx of unspeakable evil from the dread dimension known as the Forbidding. But Angel and her Elf allies must beware—for a demon spy, with a monstrous creature at its command, walks among them. As the legions of darkness draw the noose tighter, and the time of confrontation draws near, those chosen to defend the soul of the world must draw their battle lines and prepare to fight with, and for, their lives. If they fail, humanity falls. **BONUS:** This edition contains an excerpt from Terry Brooks's *The Measure of the Magic*.
