Inequality is the defining theme of the left-right political spectrum—going back to the time of the French revolution, when the supporters of liberté, égalité, fraternité sat on the left side of the first Assemblée nationale. Those on the left have always argued that capitalism tends to engender economic inequality, which can be challenged by collective social and democratic political action.

Inequality means abundance for the few and injustice for the many; this is a denial of the rights of millions of people. In more unequal societies, rich and poor alike have shorter lives, and live with a greater threat of violence and insecurity as inequality creates conditions in which crime and corruption thrive.
