Italy: Modern Architectures in History | Diane Ghirardo

Abstract. When we think of the history of modern architecture the story might revolve around the Germans and the Bauhaus, but Diane Ghirardo's Italy: Modern Architectures in History might give us pause, since it reminds us of a more fundamental driver of "the modern," namely, the rise of the nation-state. This was a significant aspect for the Prussians during the Enlightenment, and indeed some have argued that Friedrich Schinkel was, in a sense, the first modern for the Germans.
