Interest in sustainable, green building practices is greater than ever. Whether concerned about allergies, energy costs, old-growth forests, or durability and long-term value, homeowners and builders are looking for ways to ensure that their homes are healthy, safe, beautiful, and efficient. In these pages are descriptions and manufacturer contact information for more than 1,400 environmentally preferable products and materials. All phases of residential construction, from sitework to flooring to renewable energy, are covered. Products are grouped by function, and each chapter begins with a discussion of key environmental considerations and what to look for in a green product. Over 40 percent revised, this updated edition includes over 120 new products. Categories of products include: Sitework and landscaping Outdoor structures Decking Foundations, footers, and slabs Structural systems and components Sheathing Exterior finish and trim Roofing Doors and windows Insulation Flooring and floor coverings Interior finish and trim Caulks and adhesives Paints and coatings Mechanical systems/HVAC Plumbing, electrical, and lighting Appliances Furniture and furnishings Renewable energy Distributors and retailers An index of products and manufacturers makes for easy navigation. There is no more comprehensive resource for both the engaged homeowner and those who design and build homes. Editor Alex Wilson is president of BuildingGreen, an authoritative source for information on environmentally responsible design and construction, which also publishes Environmental Building News. Co-editor Mark Piepkorn has extensive experience with natural and traditional building methods.

Covering New York, American & regional stock exchanges & international companies.

Energy efficiency begins at home. Nobody knows this better than homeowners, remodelers, builders, and designers looking to cut back and save more. This is the place to start--"The Energy-Smart House" is a must-have for those concerned about rising home energy costs. Written by builders and energy experts from all over the country, the contributing authors are seasoned professionals whose articles have appeared in "Fine Homebuilding "magazine. Becoming "energy smart" is the goal, and this book details the methods, materials, and technology needed to achieve just that. Along with 200 photos and 50 illustrations, the insight shared from the pros will give readers the most up-to-date ways to keep costs down.

For undergraduate and MBA Cost or Management Accounting courses. The text that defined the cost accounting market Horngren's Cost Accounting defines the cost accounting market and continues to innovate today by consistently integrating the most current practice and theory into the text. This acclaimed, market-leading text emphasizes the basic theme of [different costs for different purposes,] and reaches beyond cost accounting procedures to consider concepts, analyses, and management. "Elvis Cole provides more fun for the reader than any L.A. private eye to come along in years."--Joseph Wambaugh WINNER OF THE ANTHONY AND MACAVITY AWARDS FOR BEST NOVEL * NOMINATED FOR THE EDGAR AND SHAMUS AWARDS FOR BEST NOVEL Meet Elvis Cole, L.A. Private Eye. . . . He quotes Jimmy Cricket and carries a .38. He's a literate, wisecracking Vietnam vet who is determined to never grow up. When quiet Ellen Lang enters Elvis Cole's Disney-Deco office, she's lost something very valuable--her husband and her young son. The case seems simple enough, but Elvis isn't thrilled. Neither is his enigmatic partner and firepower, Joe Pike. Their search down the seamy side of Hollywood's studio lots and sculptured lawns soon leads them deep into a nasty netherworld of drugs, sex--and murder. Now the case is getting interesting, but it's also turned ugly. Because everybody, from cops to stalkers to crooks, has declared war on Ellen and Elvis. For Ellen, it isn't Funtown anymore. For Elvis, it's just a living. . . . He hopes. Praise for The Monkey's Raincoat "Outstanding characters, tight plot, and scintillating prose style. . . . This fast-paced story speeds Elvis Cole to a chilling, heart-stopping ending."--Mystery Scene "Is Bob Crais good? Put it this way: if they're taking you out to put you against the firing squad wall, and you want to enjoy your last moments on earth, pass on the last cigarette and ask for an Elvis Cole novel."--Harlan Ellison "Far and away the most satisfying private eye novel in years. Grab this one--it's a winner!"--Lawrence Block "The best private eye novel of the year. . . . lots of action; bright, crisp dialogue; and sharply drawn characters."--The Denver Post "Robert B. Parker has some competition on his hands. . . . Elvis Cole is an appealing character and Crais's style is fresh and funny."--Sue Grafton "In Crais, a new star has appeared on the private eye scene--a dazzling first novel."--Tony Hillerman

The lessons of seven women who all touched His hem in the 1st-century can be applied to today's 21st-century spiritual walk. Whether living 2,000 years ago or living in the present, all women are the same. (Practical Life)
