Longarm faces a family that slays together... The town of Devils River doesn't have much to offer beyond ice-cold beer and a bodacious blacksmith who looks to Longarm like she can bang more than an anvil. But that's where cold-blooded killer and wanted man Dolphus Lasher has chosen to hole up. Tossing Lasher into the local jail proves to be easier than Longarm figured. Problem is, the Lashers are planning a little family reunion in Devils River—the entire murderous clan is about to descend on the town. Blood may be thicker than water, but when it comes to a showdown between lawman and Lashers, Devils River is about to run red.

This journal is a perfect gift for friends and family male or female. Other features of this

notebook are: - 120 pages - 6x9 inches -
matte cover This book is convenient for
writing. It has the perfect size to carry
anywhere for journaling and note taking.

Les Marees Terrestres

Brilliant, witty, perceptive essays about fly-fishing, the natural world, and life in general by the acknowledged master of fishing writers. In *Still Life with Brook Trout*, John Gierach demonstrates once again that fishing, when done right, is as much a philosophical pursuit as a sport. Gierach travels to Wyoming and Maine and points in between, searching out new fly-fishing adventures and savoring familiar waters with old friends. Along the way he meditates on the importance of good guides ("Really, the only thing a psychiatrist can do that a good guide can't is write prescriptions"), the challenge of salmon fishing ("Salmon prowl.

If they're not here now, they could be here in half an hour. Or tomorrow. Or next month"), and the zen of fishing alone ("I also enjoy where my mind goes when I'm fishing alone, which is usually nowhere in particular and by a predictable route"). On a more serious note, he ponders the damaging effects of disasters both natural and man-made: drought, wildfires, and the politics of dam-building, among others. Reflecting on a trip to a small creek near his home, Gierach writes, "In my brightest moments, I think slowing down...has opened huge new vistas on my old home water. It's like a friendship that not only lasts, but gets better against the odds." Similarly, *Still Life with Brook Trout* proves that Gierach, like fly-fishing itself, becomes deeper and richer with time.

The 19 papers in this volume are a selection from a UCLA conference intended to take

stock of the state of the field at the beginning of the new millenium and to stimulate research in English Historical Linguistics. The authors are predominantly U.S. scholars. The fields represented include morphosyntax and semantics, grammaticalization, discourse analysis, dialectology, lexicography, the diachronic study of code-switching, phonology and metrics.

Marriage was her only means of escape . . . Though Honora Tannach came of age amid the misty moors of the Scottish highlands, where warring clans battled to the death for the future of their wild land, nothing frightens her so much as a lifetime trapped in the castle of her cruel stepfather. She is thrilled when a marriage is arranged to the son of a Scottish laird . . . until her betrothed is revealed to be Cavan Sinclair. Though the savage warrior once saved her life, Honora

knows no one can tame the heart of such a brute, no matter how finely chiseled his features or how enticing his eyes After escaping his captors, Cavan's only concern is protecting his clan from the menacing invaders who threaten at every turn—and his beautiful wife is a dangerous distraction. But in the face of fiery passion, their reluctance will fade . . . and Cavan will discover that there is no greater strength than the power of true love.

If you are a robot enthusiast who wants to quickly get the most out of Lego Mindstorms EV3, this is the book for you. Prior programming experience is useful to get the most out of this book, but not necessary.

Indulge in your favorite hue (or two!) with

fabric designer Jessica Levitt. Bright and bold quilt blocks pair same-color prints with strong solids for depth and lots of personality. Stitch random-width strips to a muslin base for a planned approach to improv. Giant-size blocks join together like a fun puzzle, forming a graphic secondary pattern when you piece the quilt top!

A book-length poem evokes the horror, anguish, and brutality of 20th century history.
