Steven Harrison takes a unique approach to spirituality and social change by rejecting contemporary spirituality and maintaining that the answers are not in self-help books or gurus. He empowers the reader by putting control back in their hands. Grappling with the questions we have about life, Harrison deconstructs the prevailing spiritual, therapeutic, and self-help methods we use to try to change ourselves. By taking this journey of exploration with him, we come face-to-face with the potential for radical transformation.

How did we get here, and why are we here? Enjoy an enthralling journey into logic, religion, physics, and philosophy for an overarching examination of the contingency of life from a purely objective and logical perspective. In the quest for answers to the age-old questions about life, an afterlife, and the universe, learn of considerations that make some theories just not work and how the most important consideration has been left out one's personal existence. Neither the universe created

Imagine being able to sit down with Billy Graham and ask him for advice. In response to thousands of letters, Billy Graham offers guidance and answers to the most-often asked questions about every aspect of life, including relationships, ethics, psychological problems and spirituality.

From page to page the attentive reader will not escape a stir of one ' s inner essence regarding the fundamental issues of life. He opens the lid to life ' s essentials, inviting thorough considerations to the origin of the universe, the potential vested in each human life and the bubble of the evolution theory and so-called science. This discourse is for those searching for answers and inspiration. It will call the frivolous soul to attention and demand duty from its bearers. It ' s a wakeup call to the slothful and a harsh reminder to the proud. But it ' s more than that; this book identifies with all who are poised to accomplish their dreams. It unleashes a strong sense of purpose that would resurrect lost aspirations and ignite flames of achievement and eternal outcomes. The issues raised demand your thorough attention if you will profit from the wisdom shared. They are instructive to the thinking mind. This book is a treasure field. But it must be mined. So while you read, heed the urge to purposefully pause, reflect, and precipitate the cogitations of your mind. It will do you eternal good.

As politicians, citizens, and families continue the raging national debate on whether it's proper to end human life in the womb, resources like Randy Alcorn's Prolife Answers to Prochoice Arguments have proven invaluable. With over 75,000 copies in print, this revised and updated guide offers timely information and inspiration from a "sanctity of life" perspective. Real answers to real questions about abortion appear in logical and concise form. The final chapter -- "Fifty Ways to Help Unborn Babies and Their Mothers" -- is worth the price of this book alone!

As one goes about life inquiring answers from questions asked either directly that benefit their needs, we find ourselves in the circle of what I refer to as the Q.A.A.C turbans: Question Answer Action Consequence The Answers to Obstacles in Ones Life, is a10, 883 answers given back to life itself Manuscript. The true awareness comes from knowing that these are four aspects that are all a part of what we are as human beings. Life itself comes with a whole lot of responsibilities and tends to get even more difficult the older we become. So many questions we would ask ourselves. Sometimes our answer can be answered immediately but we often refuse to accept the effect it can have on us. Being my first Manuscript to have been in request of PDF format before hard cover copy, it was said to have high writing potentials. Making it also my duty to socialize with authors highly experience in the field. While attending class as a Medical office specialist and secretary student, many proofreading methods were taught unto myself to which, has been applied to The Answers to Obstacles in Ones Life. Young adults will enjoy every line within this novel. It will surely liberate your soul. A book we have been waiting for, has now presented itself to humanity! One of the BEST SELLING novel you will be glad you ever purchased.
