Little Scarlet is the ninth of Easy's adventures, and admirers of Walter Mosley's spare prose and understated observation will be pleased to hear that it is among the sharpest and richest. (Duncan Campbell GUARDIAN (19/2/05)) Crime fiction plus, which - as always with Mosley - excels and masterfully extends the genre. (LITERARY REVIEW (March 2005))

[Little Scarlet: Easy Rawlins 9 - Amazon.co.uk: Mosley](#)

In Little Scarlet, Easy is a changed man after witnessing the violence and destruction during the 1965 race riots in Watts, and he searches for the murderer of a black woman in the riot's aftermath. Using the riots as a setting really upped the ante fr This was the first Easy Rawlins novel to come close to being as good as the first, Devil In A Blue Dress.

[Little Scarlet \(Easy Rawlins #9\) by Walter Mosley](#)

Little Scarlet takes Walter Mosley's bitter African American investigator Easy Rawlins into the era of the Watts riots--these novels are fine stand-alone novels of investigation and jeopardy that also function as an informal history of America's post-war racial history. Easy finds himself working for the Man, for a change, though with his own agenda--rumour has it that the riots started because of the murder of a local woman by her white lover, and the Los Angeles police want a lid on the case.

Just after devastating riots tear through Los Angeles in 1965, the police turn up on Easy Rawlins's doorstep. Easy expects the worst - but they've come for his to ask for his help. A man was wrenched from his car by a mob at the riots' peak and escaped into a nearby apartment building. Soon afterwards, a redheaded woman known as Little Scarlet was found dead in the same building. The fleeing man is the obvious suspect but he has vanished.

Little Scarlet, the eighth Rawlins novel (after Bad Boy Brawly Brown), is unusual for Mosley, because it focuses as much on the credible mechanics of crime-solving as it does on the exposition of character and the exploration of L.A.'s mid-20th-century black culture. Combined with the author's vigorous prose and prowess with dialogue, Easy's promotion to serious sleuth promises great things for what was already a standout series.

This little scarlet easy rawlins 9 walter mosley, as one of the most on the go sellers here will certainly be among the best options to review. Little Scarlet-Walter Mosley 2012-12-20 Just after devastating riots tear through Los Angeles in 1965, the police turn up on Easy Rawlins's doorstep.

When a man who fled the 1965 Watts riots is suspected of killing a woman in a nearby apartment building, Easy Rawlins begins a murder investigation and learns that the case has sobering racial origins that will result in changes for Easy and the city of Los Angeles. 150,000 first printing.

When a man who fled the 1965 Watts riots is suspected of killing a woman in a nearby apartment building, Easy Rawlins begins a murder investigation and learns that the case has sobering racial origins that will result in changes for Easy and the city of Los Angeles. Reprint.

November 1963: Easy's settled into a steady gig as a school custodian. It's a quiet, simple existence -- but a few moments of ecstasy with a sexy teacher will change all that. When the lady vanishes, Easy's stuck with a couple of corpses, the cops on his back, and a little yellow dog who's nobody's best friend. With his not-so-simple past snapping at his heels, and with enemies old and new looking to get even, Easy must kiss his careful little life good-bye -- and step closer to the edge....

I need to find somebody and I might need a little help looking ... The summer of '48 in the city of Angels and there's heat on the streets when Daphne Monet hits the sidewalk. Heat when she disappears with a trunkload of somebody else's cash. Easy Rawlins is a war veteran just fired from his job. Drinking in a friend's bar, he wonders how to meet his mortgage when a white man in a linen suit walks in, offering good money if Easy will locate Miss Monet, a blonde with a reputation. It's a simple decision, but for one thing. Nobody warned him - better the devil you know ...

Life for Easy Rawlins is surprisingly ... easy. He's living off the proceeds of his last case, trying to keep out of trouble. Of course it's not going to last. Because Easy's old friend Mouse knocks on his door. Mouse is one of the deadliest men in America. And Mouse wants a small favor. He wants Easy to help a man he says is wrongly imprisoned, a friend of Charcoal Joe. Charcoal Joe is a mythical figure in the LA underworld - he pulls all the strings but keeps out of sight. Reluctantly, Easy agrees - he owes Mouse his life. But this is no small favor. It's going to take him from the beaches of Malibu to the shadiest stretches of Sunset in a frenetic adventure through a wild and unrepentant city.

1961. For most black Americans, these were times of hope. For former P.I. Easy Rawlins, Los Angeles's mean streets were never meaner...or more deadly. Ordinarily, Easy would have thrown the two bills in the sleazy shamus' face -- the white man who wanted him to find the notorious Black Betty, an ebony siren whose talent for all things rich and male took her from Houston's Fifth Ward to Beverly Hills. There was too much Easy wasn't being told, but he couldn't resist the prospect of seeing Betty again, even if it killed him....

Hailed as a masterpiece -- the finest work yet by an American novelist of the first rank -- this is the mysterious story of a young black man who agrees to an unusual bargain to save the home that has belonged to his family for generations. The man at Charles Blakey's door has a proposition almost too strange for words. The stranger offers him \$50,000 in cash to spend the summer in Charles's basement, and Charles cannot even begin to guess why. The beautiful house has been in the Blakey family for generations, but Charles has just lost his job and is behind on his mortgage payments. The money would be welcome. But Charles Blakey is black and Anniston Bennet is white, and it is clear that the stranger wants more than a basement view. There is something deeper and darker about his request, and Charles does not need any more trouble. But financial necessity leaves him no choice. Once Anniston Bennet is installed in his basement, Charles is cast into a role he never dreamed of. Anniston has some very particular requests for his landlord, and try as he might, Charles cannot avoid being lured into Bennet's strange world. At first he resists, but soon he is tempted -- tempted to understand a set of codes that has always eluded him, tempted by the opportunity to understand the secret ways of white folks. Charles's summer with a man in his basement turns into an exploration of inconceivable worlds of power and manipulation, and unimagined realms of humanity. Walter Mosley pierces long-hidden veins of justice and morality with startling insight into the deepest mysteries of human nature.

Ezekiel "Easy" Porterhouse Rawlins is an unlicensed private investigator turned hard-boiled detective always willing to do what it takes to get things done in the racially charged, dark underbelly of Los Angeles. But when Easy is approached by a shell-shocked Vietnam War veteran- a young white man who claims to have gotten into a fight protecting a white woman from a black man- he knows he shouldn't take the case. Though he sees nothing but trouble in the brooding ex-soldier's eyes, Easy, a vet himself, feels a kinship form between them. Easy embarks on an investigation that takes him from mountaintops to the desert, through South Central and into sex clubs and the homes of the fabulously wealthy, facing hippies, the mob, and old friends perhaps more dangerous than anyone else. Set against the social and political upheaval of the late 1960s, BLOOD GROVE is ultimately a story about survival, not only of the body but also the soul. Widely hailed as "incomparable" (Chicago Tribune) and "dazzling" (Tampa Bay Times), Walter Mosley proves that he's at the top of his game in this bold return to the endlessly entertaining series that has kept fans on their toes for years.

Nineteen-year-old Ezekiel "Easy" Rawlins and his companion, Raymond "Mouse" Alexander, embark on a perilous 1939 odyssey that takes them from Houston to a mysterious bayou world of voodoo, sex, revenge, and death.

Leonid McGill, a New York City private detective, tries to put his past life behind him, to go "from crooked to slightly bent." But it's not that easy when someone like Tony "The Suit" Towers expects you to do a job, when an Albany PI hires you to track d
