National Book Award Finalist! Instant New York Times Bestseller! The Absolutely True Diary of a Part-Time Indian meets Jane the Virgin in this poignant but often laugh-out-loud funny contemporary YA about losing a sister and finding yourself amid the pressures, expectations, and stereotypes of growing up in a Mexican American home. Perfect Mexican daughters do not go away to college. And they do not move out of their parents' house after high school graduation. Perfect Mexican daughters never abandon their family. But Julia is not your perfect Mexican daughter. That was Olga's role. Then a tragic accident on the busiest street in Chicago leaves Olga dead and Julia left behind to reassemble the shattered pieces of her family. And no one seems to acknowledge that Julia is broken, too. Instead, her mother seems to channel her grief into pointing out every possible way Julia has failed. But it's not long before Julia discovers that Olga might not have been as perfect as everyone thought. With the help of her best friend, Lorena, and her first love (first everything), Connor, Julia is determined to find out. Was Olga really what she seemed? Or was there more to her sister's story? And either way, how can Julia even attempt to live up to a seemingly impossible ideal?

Año 1966. Mientras los jóvenes vivían las horas más épicas y exultantes del Swinging London, un grupo causaba sensación: Syd Barrett, Roger Waters, Rick Wright y Nick Mason tocaban el blues rock como nadie. Se trataba de un blues rock psicodélico, alucinado. Unos meses más tarde, en 1967, grabaron sus primeros singles: "Arnold Layne"/"Candy And A Currant Bun" y "See Emily Play"/"Scarecrow" y luego, su primer álbum: The Piper At The Gates Of Dawn. Había comenzado la prodigiosa carrera de Pink Floyd. El estudio de las letras, la inmersión en el proceso creativo del grupo en el estudio de grabación, el detalle de la intervención de los productores y los ingenieros de sonido y los instrumentos utilizados: nada se ha dejado al azar al sumergirnos en el corazón de la música de Pink Floyd.

Las personas somos entes polifacéticos y complejos. Cuando consumimos productos y servicios, estamos condicionados por nuestras circunstancias, vivencias y experiencias. Resulta clave para lograr las mejores estrategias de marketing y comunicación conocer las palancas que influyen en las decisiones de consumo. La primera parte de este libro ilustra la existencia de factores que afectan a nuestro yo como consumidores y presenta modelos de respuesta del comprador que visualizan la interrelación entre ellos. La segunda parte muestra las características de lo que el autor ha denominado «el consumidor consciente». Un individuo que sabe de su poder de influencia, pero también la huella que deja. Una persona que conoce las técnicas de comunicación y marketing que utilizan las empresas. El envejecimiento de la población, las nuevas estructuras familiares, el papel de la tecnología o el empoderamiento son algunas de las claves para entender a estas personas que se han adaptado al entorno VUCA en el que vivimos. Cabe destacar que en el último capítulo se abordan los cambios que han traído los tiempos de pandemia.
